

PLAYGROUND TO OPEN ON JUNE 21 FOR 2ND SEASON

Gettysburg's playground will open Monday, June 21, at 9 a. m., the Recreation Board announced today. Fred P. Haehnle and Miss Arlene Plank, supervisors at the playground last summer, have been renamed to those posts again this season, it was stated.

Paul A. Kinsey, president of the board, said today that the officials of the playground look forward to attendance much greater than the 6,000 who used the facilities of the play center last year.

"The need for the playground is much greater this summer than during its first season last year," Mr. Kinsey said, "because of the increased employment of parents in industry and businesses. As a result more youngsters will probably use the grounds."

The playground will be open during ten weeks this year, with the closing date set for August 28. No formal opening exercises have been planned for the first day at the play center on the high school property.

New Equipment, Supplies
Two new pieces of equipment have been added, a small slide for the smaller youngsters and a "Jungle Jim," a series of metal pipes fastened together to allow youngsters to climb about at will.

Several basketball uprisings and nets have been promised and will be installed later this summer if they arrive, Mr. Kinsey said. Softball, volleyball and quott equipment is ready for installation.

Handicraft will assume a more important role this year, it was stated. A large amount of equipment has been secured for handicraft work to be given under the direction of the supervisors.

Members of the board include Mr. Kinsey, Ray M. Hoffman, treasurer; Mahlon P. Hartzell, secretary; Ralph Z. Oyler and Elmer W. Warren. An advisory group comprising Eugene V. Bullett, Esq., the Rev. Dwight F. Putman and the Rev. Fr. Mark E. Stock has been provided for the board. The board was established last year by joint action of the town council, the school board and a local committee.

REFORMED SS. PLANS SERVICE

Trinity Evangelical Reformed church school will observe Memorial Day with a special service on Sunday morning at 9:30 o'clock, the theme being "Whosoever Will Lose His Life."

A group of Boy Scouts and Girl Scouts headed by Billy Snyder and Dixie Moser will lead the school in the salute to the flag and the singing of "America." Mrs. Guyon E. Buehler will conduct the memorial service when a candle on the altar will be dedicated to the memory of James L. Kendeheart who as a gunners' mate lost his life in the war. The candle will be lighted by a brother, Sgt. John B. Kendeheart, who is serving with the Army Engineers. The dedicatory prayer will be given by the Rev. H. S. Fox.

A Book of Memory, containing the names of the young people of the church who are in the service, will also be placed on the altar.

Edward P. Stipe will be the speaker, using the topic "Are You Expensible?" Families of these young people are invited as special guests for this service.

Hanover Florist To Give Pupils Bouquets

Cremer, the Hanover florist, will provide 450 bouquets of carnations and roses for Gettysburg school children to carry in the Memorial procession here on Monday afternoon. It was announced today by Superintendent of Schools L. C. Keefeauver.

The flowers will be distributed at 1:30 o'clock Monday afternoon at the High Street school building where the pupils form for the march to the National cemetery. There will not be any charge for the bouquets.

The Hanover florist offered to supply local school pupils with flowers for the soldiers' graves after it was announced that "Uncle Ed" Barbehenn, North Stratton street, will be unable this year to continue a long standing custom of providing flowers for the marchers.

ARRIVES IN AUSTRALIA
Myles Kleinfelter, East Broadway, has arrived safely in Australia according to word just received by his wife. Mr. Kleinfelter is employed as an engineer by a company doing government work.

Our store closed all day Memorial Day. Dougherty and Hartley.

Next Scrap Drive Here On Wednesday

Gettysburg's next community-wide scrap collection will be made next Wednesday evening, it was announced today by Dr. J. Walter Coleman, chairman of the Gettysburg salvage committee.

Local firemen and their helpers again will handle the collection under the direction of transportation chairman, Vernon Corle. Firemen will start their tour of town streets at 6 o'clock.

Dr. Coleman said a special effort is being made here to gather enough tin cans to fill a car so that the thousands of cans already gathered may be shipped to the nearest processing plant. He appealed to rural residents in the area to bring their cans to any of the following collection depots: Oyler's tire shop on Carlisle street; the National garage, Battlefield service station and Adams County Motors.

DIPLOMAS FOR 39 SENIORS AT LITTLESTOWN

Thirty-nine seniors at Littlestown high school received diplomas Thursday evening at the thirtieth annual commencement exercises held in the high school auditorium.

Robert Sentz was valedictorian of the class while Dorothy Thomas was salutatorian. Honor students in the class include Sentz, Miss Thomas, Dorothy Crabbs, Lydia Sentz, Donald Fresser, Anna Mary Riden, Arlene Hollinger and John Olf.

Robert Sentz won three of the five honor awards given at the commencement. He was awarded prizes in history, music and scholarship. Dorothy Thomas won the English award; Bernice Tressler, the commercial award, and Lydia Sentz the athletics award.

Present Pageant
A pageant on the theme, "Long May Our Land Be Bright" was presented by the students. The program opened with Robert Sentz as the Voice of Liberty. The prologue included a song by the pageant chorus; an episode, "Birth of Freedom," including the following tableaux, Boston Tea Party, Spirit of '76, Minutemen and Patrick Henry, and scenes at the Declaration of Independence and the inauguration of Washington.

Episode two, "Folk Ways of America," included "Songs We Love," and a tableau, "Lincoln Speaks." Episode three, "The American Way," featured "Three Heroes: Will Rogers, General Eisenhower and General McArthur."

An epilogue, "Uncle Sam," closed the first part of the program.

Part Two included a class song written by Paul Hiltzbrick, Lydia Sentz, Gloria Crabbs, Dorothy Crabbs, Anna Mary Riden and Alethea Rider; announcement of awards by Lloyd L. Staveland and Paul E. King; presentation of class gift by Bernice Tressler, president of the class.

APPEALS FOR NURSE'S AIDES

"I cannot emphasize too much the need for the services of nurse's aides at the Warner hospital," Dr. E. H. Markley, president of the board of directors at the hospital, said today.

"With the ever increasing demand for registered nurses in the armed forces we find our normal staff somewhat depleted and we must rely on nurse's aides to carry us through this war-time period."

"We are grateful to the Red Cross for its cooperation and the service the aides have rendered us thus far. However, we are in need of more volunteers and I trust that the women of this county will respond to the appeal and volunteer their service."

Eight women have enrolled for the next class of instructions for nurse's aides, the local Red Cross office announced today.

Those who have enrolled to take the course include:

Miss Winifred Miller, Miss Mary Catherine Moticka, Miss Ruth A. McIlhenny, Miss Mary Pretz, Mrs. Howard Sheets, Mrs. G. Marion Stambaugh, Mrs. C. M. Weigle and Mrs. C. E. Welty.

Others who are willing to volunteer some of their leisure time for this war-time effort are requested to be at the nurses' home at the Warner hospital Monday evening at 7 o'clock.

Mrs. Sydney J. Poppay will instruct the class.

The Red Cross appealed for more volunteers today again emphasizing the urgent need for nurse's aides at this time and the steadily increasing demand for their services.

Went's will be closed all day Memorial Day.

OPA Rule Throws Wrench In Plans For Governor's Trip Here For Memorial Address

Governor and Mrs. Edward Martin plan to arrive in Gettysburg about 2 o'clock Monday afternoon, the Governor's office informed The Gettysburg Times this morning.

But, it is not known whether the Governor will come here by train, bus or fly, although there is slight possibility of his flying.

When informed by The Times that the OPA had ruled that spectators and participants will not be permitted to drive to parades or other celebrations during the Memorial Day week-end, the Governor's office said it had not heard of the ruling and hence could not make a statement as to what the Governor would do.

The Governor had announced that he would march in the parade to the National cemetery but provision for his trip to Gettysburg seemed to be upset by the OPA's ruling this morning.

Philadelphia, May 28 (AP)—Neither spectators nor participants will be permitted to drive to parades or other celebrations during the Memorial Day week-end, the regional office of Price Administration, ruled today.

The ban also will apply to members of veterans' organizations and patriotic societies which go to cemeteries to decorate graves.

Individuals, however, may drive to cemeteries to decorate the graves of close relatives or if they can prove that the trip amounts to a "religious rite" and that no adequate alternative transportation is available.

Driving to churches or cemeteries where religious services are being held also will be permitted if no adequate alternative transportation is possible.

The OPA emphasized that inconvenience, discomfort, expense and loss of time are not considered as making alternative transportation inadequate.

FOUR MEMORIAL DAY PROGRAMS LIST SPEAKERS

Theodore Pfeiffer Camp No. 60, Sons of Union Veterans, will hold its annual Memorial Day parade and services Saturday evening at 6 o'clock in New Oxford.

The parade will start from center square and march to St. Mary's cemetery and from there to the New Oxford Union cemetery. At both places there will appropriate addresses, special music and strewing of flowers.

At the New Oxford cemetery the memorial address will be given by the Rev. Dobbs F. Ehlman, New Oxford Reformed pastor, and the benediction by the Rev. Earl N. Rowe, Methodist minister of New Oxford. The New Oxford high school band, POS of A and Jr OUAH, town council, New Oxford Fire company and its Ladies' Auxiliary, Boy Scout troops No. 85 and No. 86, Junior Sons of Veterans, Sons of Veterans Reserve, Camp No. 60, Sons of Veterans and their Ladies' Auxiliary, with the Hanover organization, Veterans of Foreign Wars, the Civilian Defense Corps of Gettysburg, and New Oxford school children will be included in the line of march.

Ira E. Lady Post 262, of the American Legion, Biglerville, will sponsor Memorial Day services at Biglerville and Arendtsville.

The Rev. Philip Bower, pastor of Elias Lutheran church, Emmitsburg, will speak at the Arendtsville services Sunday afternoon at 2 o'clock.

Services at Biglerville will be held at 4 o'clock Sunday afternoon. The Rev. R. R. Gresh, pastor of St. James Lutheran church, will deliver the address.

The Sons of Union Veterans of Gettysburg will sponsor the services at Flob's Lutheran church Sunday morning at 8:45 o'clock. The Rev. Paul Gladfield will conduct the services at the church. Members of other churches in the community are invited to participate.

Covered 2,700,000 Miles

Abbottstown Rites Set For Saturday

Memorial Day will be observed at Abbottstown Saturday evening. The Lutheran Sunday school will have charge of the ceremonies. Its committee has obtained the Vigilant Fire company band of York to furnish music during the program and for the parade.

The Rev. Dr. Feldmann, retired minister of York, will be the guest speaker. Sunday and public schools of the town will place flowers on the graves of veterans of former wars, who are buried in the cemeteries of the town.

The committee has invited the boys of Paradise Protectors, the Boy Scout troops, the observers of the Army Observation Post, the personnel of the Civilian Defense corps, the Abbottstown Fire company, the borough council, the school board, the Civic club and all other persons not affiliated with those organizations, to join in the decoration of the graves, and to participate in the parade, of which S. S. Wolf will be chief marshal.

The parade will form at the Lutheran church at 6 o'clock, pass over the streets of town to the several cemeteries. It will return to the Lutheran church for a program including prayer by the Rev. Snyder, Alleman, music, Lincoln's Gettysburg address by the Rev. William Burke and the Rev. Dr. Feldmann's address.

Our store will be closed Monday, Memorial Day. Home Furnishing Co., "Furniture On The Square."

Robert Sentz Wins Lehigh Scholarship

Robert Sentz, son of Mr. and Mrs. Orville C. Sentz, near Littlestown, and a member of the class which was graduated from Littlestown high school Thursday evening, has been awarded a scholarship to Lehigh university where he will major in electrical engineering and specialize in radio.

Sentz qualified on the basis of scholastic aptitude and comprehensive mathematical tests given at Harrisburg earlier this year. Sentz receives a half free tuition scholarship of \$200 and a deferred payment scholarship loan also of \$200.

VOLUME OF AIR MAIL MOUNTING AT LOCAL P.O.

Figures compiled recently in connection with the observance of the fourth anniversary of the establishment of the Air Mail Pickup service across Pennsylvania showed that the volume of mail dispatched from the local post office in the last two years via the pickup service nearly quadrupled.

Acting Postmaster Lawrence E. Oyler today released figures that estimate the number of pieces of air mail picked up here by the cross-country flights last month at 3,830, or more than 100 per day.

In April, 1941, the total pickup here was 975 pieces and last year the figure was 1,364 for April.

In January of this year 1,219 pieces of air mail were dispatched from Gettysburg via the pickup service while 256 pieces were received. In the same month, the 31 post offices served on the cross-state route which serves Gettysburg dispatched 220,415 pieces of air mail and received 178,029. Only at Pittsburgh and Philadelphia offices did the number of pieces received exceed the number dispatched.

While the air mail service itself marked its twenty-fifth anniversary this month, the pickup mail service started only four years ago as an experiment. Since the war began, great progress has been made in adapting the air pickup system for military purposes in picking up troop and cargo gliders.

Richard C. duPont, first president of All American Aviation who visited Gettysburg several times during the early days of the pickup service here, now is a special assistant to the commanding general of the Army Air Forces in charge of the glider program.

In the four years the air mail pickup system has completed nearly 2,700,000 miles of flying during which 225,000 pickups and deliveries have been made without injury to personnel and without serious mishap to aircraft or cargo. In spite of all-year weather conditions, nearly 93 per cent of schedules have been kept, an anniversary statement reveals.

BIRTH ANNOUNCEMENTS

Mr. and Mrs. Joseph Oyler, Washington, D. C., announce the birth of twins, a boy and girl, at Providence hospital, Washington, on May 24. Mr. Oyler is a son of Mrs. Genevieve Oyler, Biglerville R. D.

A son was born at the Warner hospital Wednesday evening to Mr. and Mrs. Kenneth Bream, Aspers R. 1, instead of Mr. and Mrs. Kenneth Carey as previously reported. Mr. and Mrs. Harwood Tydings, Taneytown, announce the birth of a daughter at the Warner hospital today.

Our store will be closed Monday, Memorial Day. Home Furnishing Co., "Furniture On The Square."

County Gives \$150 Toward Honor Roll

The Adams county commissioners have donated \$150 towards the erection of the memorial honor roll listing those from the county in the armed forces during World War II, it was announced today.

The commissioners reached that decision Wednesday when the county group was asked to join with organizations from throughout the county in raising the \$600 necessary for the construction of the marker.

Inspection of a bridge near Brown's dam over the Conewago was among other activities of the county governing body. A donation of \$3 was made towards the purchase of colors for the 55th College Training Detachment at the college.

A communication was received announcing a meeting here the week of June 7 of governmental agents for the purpose of explaining priorities needed for governmental requirements for maintenance.

EXPECT LIGHT APPLE YIELD THIS SEASON

The 1943 apple crop in Adams county will be much lighter than was indicated earlier in the season and may amount to only about 60 per cent of the 1942 yield, members of the Adams County Fruit Growers' association agreed at their May meeting, Thursday evening, in the Biglerville community building. Robert C. Lott, Aspers, the vice president, presided with about 90 fruitmen in attendance.

A heavy bloom had promised a big yield this season, the orchardists stated, but the extended period of cold weather during the blossom period is believed responsible for the comparatively light "set" of fruit that has appeared. Early varieties and Staymans are specially affected, according to reports presented at the meeting.

State College specialists told the county growers that the apple yield of the entire state of Pennsylvania is going to be considerably lighter than was forecast earlier.

Hear Labor Plans

John O. Pepper, entomologist from State College, discussed with the growers the present insect conditions in peach and apple orchards and also referred to summer spray schedules. Dr. George L. Zundel, extension pathologist, reported on scab and brown rot infestation he found in orchards in the county.

M. T. Hartman, county farm agent who is heading up the farm labor organization in the county this season, discussed with the growers steps that already have been taken to meet farm and orchard labor needs and outlined present plans for the remaining months of the farming season.

No date was set for the next meeting of the fruitmen.

BULLETINS

Harrisburg, May 28 (AP)—Pennsylvania school authorities are authorized to close schools or discontinue classes as an emergency measure to permit children to aid in relieving any farm labor shortage under legislation signed into law today by Governor Martin.

The new law restricts use of pupils in such emergencies to those 14 years of age or older and those who have finished the sixth grade. The measure was amended in closing days of the recent legislative session to allow students to engage in only farm work.

Chester, Pa., May 28 (AP)—Undersecretary of War Robert P. Patterson said today he does not believe there is any likelihood of a Japanese invasion of the west coast. "They would have to have command of the Pacific," he said, "and we are in control there."

Callander, Ont., May 28 (AP)—The world's most famous five girls, the Dionne quintuplets, celebrated their ninth birthday today in the home of their parents, Mr. and Mrs. Oliva Dionne, and their seven brothers and sisters. It was their happiest birthday, because it was the first year the entire Dionne family was living under the same roof.

Essen Is Pasted By RAF Planes In 56th Air Assault On City

ALLIES BLAST AXIS BASES AND DOWN 13 PLANES

By NOLAND NORGAAARD
Allied Headquarters in North Africa, May 28 (AP)—Allied bombers and fighters slashed again yesterday at Villacide and Decimomannu, important Axis air fields in Sardinia, and the Island of Pantelleria, it was announced today.

Thirteen enemy fighters were destroyed in combat—all from a hornet's nest stirred up at Decimomannu—and many more on the ground in the continued softening up of Italy's outer defenses.

Speedy B-26 Marauders unloaded more than 4,000 fragmentation bombs over the Decimomannu airfield. Crewmen said the explosions smashed a large number of grounded planes and damaged many more.

18-Minute Fight

Strong enemy fighter groups intercepted the bombers, and a fierce 18-minute running fight ensued. The Marauder gunners shot down seven of the attackers. The P-40 Warhawk escort accounted for six others.

The only American loss in the battle, in which enemy fighters pursued the bombers to within 25 miles of the North African coast, was a Warhawk which fell into the sea. The pilot was rescued.

A middle East communique issued in Cairo said that Allied long range fighters again ranged over the Aegean Sea yesterday at the eastern end of the Mediterranean, destroying at least one Junkers 88.

The Cairo announcement, reporting further on Wednesday's operations, said two small enemy vessels were attacked that day off the coast of Greece, one being left in a sinking condition while the other was definitely sunk.

All middle East command aircraft returned safely.

Biglerville Coach Sworn In As Ensign

Ellis R. McCracken, athletic director and coach at Biglerville high school, was sworn into the U. S. Navy with the rank of ensign at Philadelphia, Wednesday.

Ensign McCracken, who had previously accepted a position as instructor in physical education at the University of Pittsburgh this summer, will assume his duties there upon completing his duties at Biglerville while awaiting orders to report to the Navy.

Knights Templar To Attend Service Here

Two special services will be held at Trinity Evangelical Reformed church on Sunday.

At 10:30 a. m. a service honoring all members of the congregation who have entered the service of their country will be held. An honor roll will be dedicated and placed in the church.

At 7:30 p. m. the Gettysburg Commandery, No. 79, Knights Templar, together with all members of the Masonic fraternity will attend the Vespers of the Ascension. The Masonic fraternity have been requested to attend divine service on this day by the grand master of Masons in Pennsylvania.

The service will be in charge of Rev. Luther B. Hafer, Taneytown, Md., the Excellent Prelate of Gettysburg Commandery. The sermon will be preached by the Rev. John Brumbach, pastor of Christ Evangelical Reformed church, Littlestown, and the Excellent Prelate of Bethel Commandery, Hanover. The choir of Trinity church will render special music.

97 YEARS OLD

George W. Krug, of Kingsdale, near Littlestown, Adams county's only surviving veteran of the Civil war, quietly observed his 97th birthday anniversary today. He is reported to be in "fairly good" health but will not attend Memorial Day exercises here on Monday.

SELL PROPERTY
Nora E. and Charles E. Sowers, Menallen township, sold to Harry Stahl, Tyrone township, a 17-acre property in Tyrone township.

London, May 28 (AP)—A great fleet of heavy RAF bombers attacked Essen and other targets in the Ruhr last night a few hours after speedy Mosquito bombers had made a daring dusk attack on important German war industries in Jena, the British announced today.

Twenty-three bombers were lost in the Essen attack, said the announcement, which declared the raid was carried out "in great strength."

The number of planes engaged last night was reported only slightly fewer than the total sent on the record raids against Dortmund and Duesseldorf.

"Considerable Damage"

The Berlin radio, in a broadcast recorded by the Associated Press, acknowledged "considerable damage" in Essen.

Other British planes laid mines in enemy waters during the night.

Essen is the site of the sprawling Krupps munitions works, and is 22 miles northeast of Duesseldorf, which was blasted by the RAF in a smashing assault the night before last.

Essen became the most heavily bombed city in the world after the last previous raid on April 30—an assault which brought the total weight of high explosive and fire bombs dumped on this target to more than 10,000 tons since the start of the war.

56th Raid on City

Last night's raid was the fifty-sixth on the city and was probably lighter than the 2,000-ton raid on Dortmund Sunday night and the Tuesday night attack on Duesseldorf, both described as "of very great strength."

The offensive was continued by daylight today, RAF fighters sweeping out at dawn toward northern France.

At Jena, the speedy Mosquitoes struck chiefly at the Carl Zeiss instrument factory and the Schott glass works. First reports said both were sharply damaged. The works are rated as the most important of their kind in Germany.

Bombing Will Continue Says Anthony Eden

Portsmouth, England, May 28 —Foreign Secretary Anthony Eden declared today that Germany and Italy would be bombed "until the utter defeat of the Nazi and Fascist regimes and all they stand for."

He emphasized particularly that Italy "now lies wide open to air attack" and that attack "will be pressed home by all the means in our power."

"We are relentlessly determined to destroy Fascism and prosecute the war against Italy with all the force we possess, so long as Italy fights Hitler's war," the foreign secretary declared at a "Wings for Victory" luncheon here.

Eden said "we have not forgotten" it was Mussolini who asked Hitler for the privilege of sharing in the bombing of London.

"It is for the Italian people to decide whether they are to endure this bombardment to the bitter end and when it is to stop," he added.

J. Price Oyler Seeks Judgeship

J. Price Oyler, York street, who was named to serve out the unexpired term of the late Associate Judge John C. Wible until the first county election, announced today that he will be a candidate for the Republican nomination for associate judge at the September primaries.

A leader in Republican circles in Adams county for many years, Mr. Oyler is a former G.O.P. county chairman. He is the first member of either party to announce as a candidate for the associate judgeship.

The term of Associate Judge A. Dale Knouse, Menallen township, does not expire this year.

HOSPITAL REPORT

Randolph Conley, Clarksburg, Virginia; Mary Felix, 140 Chambersburg street; Mrs. Harwood Tydings, Taneytown, and John Greiner, Gettysburg R. 5, have been admitted as patients to the Warner hospital. Those discharged were Richard Little, Chambersburg street; Mrs. Sadie Darone, East Berlin; Mrs. Robert Benjamin and infant daughter, Barbara Ann, Fairfield; Melvin Lower, Fairfield; Mrs. Charles B. Smith, Gettysburg R. 5, and Mrs. Russell Singley, Fairfield.

Baccalaureate At Fairfield Sunday

Baccalaureate services for the graduating class of Fairfield high school will be held Sunday evening at 7:30 o'clock in Zion Lutheran church, Fairfield.

The Rev. John H. Ehrhart, pastor of St. John's Reformed church, will deliver the address. Assisting at the service will be the Rev. Emmert G. Colestock, pastor of Zion Lutheran church, and the Rev. Amos Geigley, pastor of the Mennonite church.

TEACHERS VOTE \$60 TO N.E.A.

At a meeting of the teachers of the Gettysburg public schools, held in the high school building Thursday afternoon, the teachers as members of the National Education association and Pennsylvania State Education association, decided to contribute \$60 to the National Education association for the NEA War and Peace Fund.

The goal set for the United States is \$600,000, for Pennsylvania, \$45,400, and for Gettysburg \$60. The NEA executive committee plans to give to the state education association one-third of the amount raised in the state.

"The fund will be used over a period of years for emergency activities, such as securing and maintaining adequate salaries for teachers during and after the war; obtaining action to correct grave educational deficiencies revealed by Selective Service; seeking adequate financial support of education on local, state and national bases; safeguarding the integrity of the schools against the tendency of other agencies to take over their functions; fostering legislative and administrative measures to deal with rapidly increasing juvenile delinquency, and working for an educational representative at the peace table and for the establishment of an international office of education," a spokesman said.

Lloyd R. Hartman, president of the Gettysburg branch of the PSEA, presided at the meeting, which was called primarily to consider the appeal made by the National Education association.

L. C. Keefeauver, superintendent of schools, and G. W. Lefever, high school principal, called attention to probable changes for the coming school year and to recent state legislation providing for an increase in teachers' salaries.

CONDITION SATISFACTORY
The condition of Miss Mable Grenoble, Chambersburg street, who underwent a major operation at the Warner hospital Wednesday, is reported to be satisfactory.

FUEHRER IN FUROR ABOUT ALLIED PLANS

By DEWITT MACKENZIE

Herr Hitler's brain trust appears to be wandering about in foggy uncertainty regarding Allied intentions—a strained state of mind not relieved any by President Roosevelt's unamplified announcement that "the conference of the combined staffs in Washington has ended in complete agreement on future operations in all theaters of the war."

You couldn't blame the poor Fuehrer if he got mad and called the war off, on the grounds that the enemy is using unfair tactics. As an illustration of the position, important circles in the Boche capital yesterday produced these divergent ideas:

The Allies are getting ready for invasion and Germany must go on the defensive. There will be a Russian offensive. There won't be a Russian offensive for at least a month. There won't be any Russian offensive this summer. Stalin won't attack the Nazis first because he isn't sure whether the Anglo-American combination is ready to invade western Europe.

In the midst of this muddy speculation came word of the successful Red attack against the fiercely defended German bridgehead on the Kuban delta opposite the Crimea. But while the Nazis knew that they had taken a beating, this didn't clarify the question of who is going to inaugurate the summer's grand slam—if any—and when.

The Russian drive is for the purpose of ousting the Nazis entirely from this side gateway to the Caucasus. The Germans have been hanging onto this sector for dear life, in hope of being able to land an Army there from the Crimea, which lies just across the narrow strait of Kerch.

Concerted Action
Therefore the Red move is in the first place defensive. However, if successful it immediately puts the Bolsheviks in position to capitalize it in a major offensive against the entire right wing of Hitler's forces which have their main anchor west of Rostov where the mighty Don empties into the Sea of Azov.

That much isn't difficult to figure out. But is Stalin going to undertake a major offensive, or does he intend to wait until John Bull and Uncle Sam have clambered ashore in western Europe?

Well, only the Allied high command knows that—we hope. If America and Britain are going to be able to invade western Europe in the near future, then it wouldn't be surprising if it has been agreed Stalin shall hold his hand so that concerted offensives can be made on both the eastern and western fronts.

Sparring For Opening
This would put Herr Hitler in a position similar in some ways to that occupied by the Kaiser in the last war, that is, hurling troops madly back and forth across Europe to defend two fronts at once. However, the Munich paper-hanger suffers from a disability which didn't afflict his august predecessor—Germany's transport system is pretty well shot to pieces now, and speedy movement of troops and supplies would be a tough problem. It would be particularly difficult because of the terrific air-power which the Allies can bring against communications—something the old Kaiser didn't have to worry about greatly.

However, if the Allied high command isn't prepared to undertake major invasions anywhere in Europe in the near future, then it's likely that Stalin either will strike at Hitler, or that the latter will have one more great fling at trying to destroy the Red military machine. One would scarcely expect the eastern front to remain in a state of comparative inaction through the good fighting months of the summer.

Actually Hitler and Stalin are sparring with each other up and down the entire length of the thousand mile battle-front looking for an opening that may permit of more extensive operations. Hitler, of course, is having to be doubly cautious so as not to get caught with a big offensive in western Europe while he is launching an attack against Russia.

Will Demonstrate Cheese Making

A cheese making demonstration, one of the few ever held in Adams county, has been scheduled for 7:30 o'clock next Friday evening. It was announced today by Miss Mildred L. Adams, county home economics representative.

I. E. Parkin, state college extension specialist, will be in charge of the demonstration to be held at the home of Mrs. Rose Murren, near Brunshtown. The demonstration is open to all interested persons in the county.

Other meetings announced for the coming week include Idaville, clothing club, at the school house Tuesday at 1:30 p. m.; Cranberry foods club with Mrs. J. S. Deatrick, Tuesday at 3:30 p. m.; Brunshtown Outdoor cookery, with Miss Florence Myers, Tuesday at 7:30 p. m.; the Good Hope 4-H foods club meets Thursday at 7:30 with Mrs. Leslie Block.

14 WARRANTS FOR U.S. THEFTS

Philadelphia, May 28 (AP)—Bench warrants were turned over to a U. S. Marshal today for the arrest of a physician, seven druggists and six other persons indicted on charges of helping dispose of more than 50,000 sulfadiazine tablets manufactured for the Army.

The tablets, valued at several thousand dollars wholesale and designed for use among soldiers on Guadalcanal, North Africa and other battlefronts, were smuggled from the laboratories of Sharp and Dohme by three employees, the indictment charged, and sold far below cost.

Federal Bureau of Investigation agents said the thefts occurred during an acute shortage of the drug, used in the treatment of pneumonia and tropical fevers. The theft was discovered, agents said, by a sharp-eyed salesman for Sharp & Dohme who noticed several of the bottles on a drug-store shelf.

The physician, Dr. John Leonard Brill, 37, was charged specifically with conspiracy and receiving stolen tablets. The three Sharp & Dohme employees, charged with conspiracy and theft of the tablets, are Alfonso C. Master, James Jones and James A. Garry.

Motorists Urged To Have Cars Inspected

The Department of Revenue today reminded motor vehicle owners that the semi-annual inspection period is again in full swing and urged car owners not to delay in complying with this legal safety requirement.

Official inspection began May 1 and the new red keystone sticker should by now appear in the lower right hand corner of the car windshield.

A serious shortage of garage mechanics, a thousand less inspection stations operating than a year ago, difficulty in obtaining parts for repairs and the problem of travel presented by federal rationing were reasons advanced by the Revenue department in urging motorists to avoid delay in having their cars inspected.

Under the law there can be no extension of the inspection period from the July 31 deadline.

Historians Will Meet Here Tuesday

The June meeting of the Adams county Historical society will be held Tuesday evening at 8 o'clock in the law library at the court house, it was announced today. The president, Dr. Robert Portenbaugh, will preside.

Dr. Frederick Tilberg, National Park office historian, will discuss, "The Early Cumberland Valley railroad, a competitor of Thaddeus Stevens' tapeworm railroad." Important business matters in connection with the society's new quarters in the court house basement also are to be transacted.

Amity Restored In Rubber Ranks

(By The Associated Press)

Amity was restored in the rubber industry today as workers returned to their jobs in response to appeals based on the nation's need for their war products but internal dissension broke out in one segment of organized labor.

President Roosevelt's appeal to the Akron, O., workers to go back to their machines ended a strike of 50,000 at the nation's greatest rubber plants—Goodyear, Goodrich, Firestone and General. Strikers at the U. S. Rubber reclaiming company's Buffalo, N. Y., plant returned after a Navy spokesman warned that the armed forces would take over unless the walkout ended. The rubber strikes all stemmed from union dissatisfaction with War Labor Board handling of wage disputes.

More Bicycles Issued For East

Washington, May 28 (AP)—The Eastern gasoline shortage area may obtain more bicycles.

Under a ruling today by the Office of Price Administration, rationing certificates will be issued without regard to quotas in June in Pennsylvania, New Jersey and 14 other eastern states.

In the past, each state had been assigned to monthly rationing quota. In the eastern shortage area, bicycles may be obtained by "anyone gainfully employed in any occupation or doing work necessary to the war program or public welfare," if he can show a need for a "wheel" in connection with his work. School pupils also are eligible for bicycles for transportation to and from school.

Mrs. Genevieve Oyler, Biglerville R. D., has received word that her son, Sergeant William E. Oyler, has arrived safely in North Africa.

BOYERS EXPECTING

Hollywood, May 28 (AP)—Actor Charles Boyer said today he and his wife, the former Pat Patterson, film actress, are expecting their first child next December. They have been married ten years.

RESTRICTIONS ON Parade Vehicles

Washington, May 28 (AP)—Buses, trucks, fire engines, taxicabs and other commercial vehicles must not be used in Memorial Day or other parades, the Office of Defense Transportation ruled today.

Pointing out that gasoline is allotted to commercial vehicles only for essential operations, ODT said an operator who uses his vehicle in parades, or in other non-essential pursuits, may have his gasoline allotments reduced by the amount of his non-essential operation.

LABOR DRAFT

Orange, N. J., May 28 (AP)—A nation-wide draft of labor was predicted yesterday by Col. Edgar N. Bloomer, state director of Selective Service. He said the American people were displaying "no willingness to go into war work."

OLDEST PRIVATE ONCE HAD BARS

London, May 28 (AP)—Private George Marion Shearouse, 50, of Atlanta, can tell these youngsters in the U. S. Army a thing or two about campaigning for Uncle Sam.

Described by the Army newspaper Stars and Stripes as the oldest buck private in the European theater of operations, he sports more campaign medals than any other enlisted man in this theater.

He also stands head and shoulders over most other privates in another respect. He has a daughter who is a first lieutenant—Miss Jocelyn Shearouse, a nurse at Camp Buttern, North Carolina.

Upper Communities

Miss Jean Fohl, a member of the teaching staff of the Biglerville schools, will leave early next week to enroll for the summer session at Duke university, Durham, North Carolina.

Roy Lawver, York, spent the day at his home in Biglerville.

E. B. Romig, Biglerville R. D., recently attended the funeral of the Rev. John R. Hahn at Wyomissing.

Yeoman first class Clyde Arnold, of Canton, Ohio, is spending a few days with his parents, Mr. and Mrs. William Arnold, of Biglerville.

Mr. and Mrs. Alonzo Hoffman have moved from the Ernest Smith property on East York street to York Springs R. D.

Mrs. C. B. Lindtved, of Carlisle, visited friends in Biglerville, Wednesday.

Ensign and Mrs. Herman Hartman have returned to New London, Connecticut, after a visit with Ensign Hartman's parents, Mr. and Mrs. Ernest Hartman, Biglerville R. D.

Corp. Ralph Taylor, who had been with his parents, Mr. and Mrs. Bruce B. Taylor, of Biglerville, for a fifteen-day furlough, left Thursday evening to report at Fort Ord, California. He was accompanied as far as Harrisburg by his parents.

The Biglerville grade school pupils took their lunches to school today where they will remain over the noon hour. The lunch hour picnic is a substitute for the regular annual school picnic which it was necessary to omit this year.

MINERS BALK ON PAY PLAN

Washington, May 28 (AP)—As soft coal wage negotiations resumed today it was reported that the operators had offered to settle their dispute with the United Mine Workers by paying them for an average of 48 minutes of underground travel a day.

The miners objected, however, that this portal-to-portal pay proposal was based on a Federal department study made five years ago. They contended that the travel time had increased to an average of one hour and 25 minutes since then because the working places are farther away from the mine openings than they used to be.

Under the straight basic rate of \$7 a day or \$1 an hour, the 48-minute portal-to-portal pay would mean an increase of 80 cents a day, operators said.

The proposal for 48 minutes of underground travel pay made yesterday by Former Senator Edward R. Burke, president of the Southern Coal Operators, was the first bargaining move since the War Labor board ordered negotiations for a settlement of the issue.

Traffic Toll In War Is 38,300

Chicago, May 28 (AP)—Since Pearl Harbor, America has amassed a traffic death toll of 38,300, of whom 22,500 were workers, the National Safety Council reported today and said the figures were evidence that wartime restrictions have proved no cure-all for manpower-draining traffic accidents.

The nation's toll for the first four months of 1943 was 6,680, a 35 per cent drop from the 10,250 killed in the same period last year and 39 per cent below the 10,880 deaths in the prewar January-April period of 1941.

In April the traffic death total was 1,600—27 per cent below the 2,190 in April, 1942, and 39 per cent below the 2,630 in April, 1941. The April figures confirmed previous indications that traffic deaths are becoming stabilized at a level approximately 40 per cent below the prewar year of 1941, the council said.

Muhlenberg To Get Coeds In '48

Allentown, Pa., May 28 (AP)—Muhlenberg college looked forward today to co-eds on its campus by 1948—and Naval officer candidates by the middle of summer.

President Levering Tyson announced yesterday at closing sessions of the 196th annual convention of the Lutheran Ministerium of Pennsylvania that the first unit of 460 naval trainees would arrive July 1. The college will enroll freshman classes July 1 and November 1, he said.

Earlier the delegates approved a committee report suggesting 1948, the college's centennial year, for admitting women to regular classes for the first time.

Fortress "FDR" Missing Over Kiel

At a U. S. Bomber Station in England, May 28 (AP)—A Flying Fortress renamed "FDR" for President Roosevelt on his last birthday was one of 11 which failed to return from the heavy raid on Kiel May 14, the Eighth Air Force disclosed today.

The Fortress, formerly called "Idaho Potomac Peeler's Kid" in honor of its pilot, Capt. Ross C. Bales of Caldwell, Ida., was the one in which Lieut. Rhude M. Mathis of San Angelo, Texas, was previously reported missing.

Mathis had been regularly assigned as bombardier in the Fortress "Duchess," in which his brother Jack was killed on the Vegesack raid March 18, but was filling in for the regular bombardier of the "FDR" on the Kiel mission.

The crews of other bombers in the formation say they saw seven parachutes open as the "FDR" went down. Ten men were aboard.

ON OIL FIRM BOARD

Pittsburgh, May 28 (AP)—The Plymouth Oil Co. has named Maj. Paul G. Benedum of Houston, Tex., a member of its board of directors to fill a vacancy caused by the death

last week of Joe C. Trees, Maj. Benedum, now stationed in Washington with the Army Air Corps, is a nephew of Michael L. Benedum, who was Trees' partner in various oil enterprises.

Charles Taylor, of Donaldson, is spending the week-end with relatives here.

Mrs. Cameron Thomas was hostess to the Carnation Guild on Thursday afternoon.

Miss Thelma Ackerson, a teacher in the grade schools here, has gone to Chambersburg to spend the summer.

Mrs. George Golden recently spent some time in York.

The grade schools of town closed at noon today for the 1942-43 session.

"OWM" SET UP BY FDR OVER HOME FRONT

Washington, May 28 (AP)—President Roosevelt created a new Office of War Mobilization today to be directed by James P. Byrnes, who will exercise virtually complete powers over all home front war efforts.

The new office is to:

Develop unified programs and establish policies for maximum use of America's natural and industrial resources for military and civilian needs, for effective use of national manpower outside the armed forces, for maintenance and stabilization of civilian economy and for adjusting that economy to war time conditions.

Byrnes is giving up his job as economic stabilization director, and that will be taken over by Judge Fred M. Vinson of Kentucky, now a member of the United States Circuit Court of Appeals in the District of Columbia. Vinson served in Congress for 14 years before he went on the bench and is considered an authority on taxation and economic affairs.

To Be Under FDR

The new Office of War Mobilization was actuated in the Office of Emergency Management in the President's executive office. Therefore it will be subject to the "direction and control of the President."

The executive order setting it up said it was to unify activities of federal agencies and departments "engaged in or concerned with production, procurement, distribution or transportation of military or civilian supplies, materials and products and to resolve and determine controversies between such agencies or departments."

Senators Take Lead In American League; Cards Gain On Brooklyn

INDIANS LOSE PAIR TO SOX; YANKEES BOW

By JUDSON BAILEY
AP Sports Writer

The major league pennant porridge is coming to a furious boil for the Memorial Day week-end with the heat turned up as high as it will go.

In the American league the Washington Senators moved into first place last night to give the junior circuit its third pace-setter in five days and in the National league the St. Louis Cardinals moved within a game and a half of the Brooklyn Dodgers, who were trounced for the second straight time at Pittsburgh and were so incensed they almost started a riot.

The Pirates, who had battered Brooklyn 17-4 on Wednesday, won again 9-5 on the margin of four runs in the eighth inning and in the midst of their rally Umpire George Barr called a balk on hot-headed Johnny Allen.

Lose Lead

In a morning game at Boston the last place Red Sox unceremoniously ambushed the Cleveland Indians, who had ousted the New York Yankees from the American league lead on Sunday. Tex Hughson pitched five-hit ball to shut out the Tribe 2-0.

In the afternoon the Red Sox repeated the trick, winning 4-3 as Oscar Judd outpitched Jim Bagby.

Last night the Washington Senators whipped the St. Louis Browns 4-2 in their second straight flood-lit fracas. This lifted the Senators into first place and dropped the Browns into the cellar, where the Red Sox had been hiding for weeks apparently just waiting to pounce on the Indians.

Lefty Hal Newhouser, who could not beat the Yankees a single time last year, held them to four hits in an afternoon game, fanned 14, most strikeouts this season and four short of the major league record, and led the Detroit Tigers to a 3-2 victory that placed them in a tie with New York for third place. Rudy York homered with two on for Detroit and Joe Gordon hit a round-tripper with one aboard for New York's runs.

A's Down Chicago

In another night game, the Philadelphia Athletics beat the Chicago White Sox 7-5 and the result was to bunch five American league clubs within two games of the top. With doubleheaders coming up both Sunday and Monday and the leaders matched against each other, the scramble is likely to become even more confusing.

The National league race also tightened up as the Cardinals nosed out the Boston Braves 3-2 with Lefty Howard Pollet pitching five-hit ball. This brought the Redbirds within easy striking distance of the Dodgers, with whom they open a series Monday.

The Cincinnati Reds punctured the Philadelphia Phillies' balloon with a second straight shutout, 7-0, on four-hit hurling by Elmer Riddle, and advanced to within a game and a half of fourth place.

New York's Giants also trimmed the Chicago Cubs again 3-2 as Lou Novikoff again failed to hit.

WILMINGTON LOSES LEAD

(By The Associated Press)

The loss of a seven-inning first game dropped Wilmington out of a tie for leadership of the Interstate Baseball league last night while Lancaster rose out of its cellar deadlock with a 2 to 1 win over Trenton.

Bill Schaefer with two triples and two singles led York's 10-hit attack on four Wilmington pitchers that ended 7 to 4 in favor of the Pennsylvania team. Ernie Sites' homer, however, did not keep the Roses from losing the nightcap, 10 to 6, after another parade of pitchers.

Hagerstown took undisputed first place in the standings, driving in nine runs in the first inning and going on to triumph, 16 to 4, over Allentown. Six runs were scored with Luster in the box, the ten after held replaced him.

For Lancaster last night's win was the fourth in 14 starts. Cy Szaalen allowed seven hits to Bill Slesler's eight for Trenton, Lancaster playing errorless ball.

JOHNNY ALLEN ON SPOT AFTER UMPIRE FUSS

New York, May 28 (AP)—Johnny Allen, veteran Brooklyn pitcher, was suspended for 30 days and fined \$200 today by President Ford Frick of the National league for his part in the argument during the eighth inning of last night's game between the Dodgers and Pirates in Pittsburgh. Frick also fined Pitchers Les Webber \$75 and Rube Melton \$50.

Pittsburgh, May 28 (AP)—Johnny Allen, hurler for "dem Bums," didn't think it was a balk but he probably wishes he hadn't insisted upon the point.

The Brooklyn firebrand brought 14,724 fans up out of their seats last night when he made an eighth inning brawl on umpire George Barr. The brawl that followed resulted in the banishment not only of Allen but also of his teammates, Freddy Fitzsimmons, Rube Melton and Lester Webber.

Today Allen likely can ponder the fate of Phil Cavarretta of the Cubs who was suspended five days and fined \$100 merely for pushing umpire Lou Jorda at Boston Sunday.

The official blow-by-blow account hasn't reached National League President Ford Frick yet but ring-side reports, indicate Allen's action was something more than a push. It all started after the lowly Pirates, who on Wednesday administered a stinging 17-4 defeat to the league-leading Brooklyn, overcame a four-run lead last night and then, in a big eighth inning, were plunging onward to their second victory.

The score was tied with two on when Melton was pulled out and Allen sent in. Then there was an error and before Johnny knew what was happening three runs had crossed the plate and Huck Geary was sitting on third. At this moment, Barr called a balk and Geary started to stroll in from home.

The melee which followed lasted 10 minutes although Barr and Allen tussled only a few seconds. Brooklyn players seized Allen and Manager Leo Durocher helped shoo him, expostulating, off the field. Other Dodgers staged a demonstration between first and second bases and after a skirmish (verbal) with the officials, the other three Brooklynies were sent to the showers.

Branch Rickey, Dodgers' head man, had a box seat in which to speculate on how many of his pennant-bidders might be suspended.

BABE IS SMOTHERED

Warren, Pa., May 28 (AP)—Coroned Ed Lowrey reported that Linda Helen McLeen, 9-month-old daughter of Mr. and Mrs. Robert McLeen of Warren, was accidentally smothered to death last Wednesday night. The mother found the baby face downward in a pillow.

State's Finest To Enter Altoona Meet

Altoona, Pa., May 28 (AP)—Pennsylvania's finest young athletes, most of whom soon will be serving in Uncle Sam's armed forces, began arriving today for competition in the Nineteenth Annual PIAA Track and Field championships tomorrow.

Altogether some 400 of the boys, winners and runners-up in their district meets, are expected from 140 high schools.

Most of the state will be well represented, despite drastic curtailment of transportation facilities.

Only the Ninth and Eleventh districts have announced they will have no participants. District 12 athletes will compete only in Class A events.

Andreas Criticizes U.S. Athletic Policies

Syracuse, N. Y., May 28 (AP)—Lew Andreas, Syracuse University Athletic director and president of the Intercollegiate Football association, today criticized the lack of uniform athletic program for the armed services.

"No one high in authority in government has seen the problem clearly and attempted a solution," Andreas said in an interview after making public a telegram to President Roosevelt urging the inclusion of Asa Bushnell, acting athletic director at Princeton university and executive director of the central office of Eastern Intercollegiate Athletics, on any national wartime sports committee.

"The greatest mystery of all time is why the Army and Navy, presumably the greatest specialists in

Just Folks

By Edgar A. Guest

DOMESTIC SCENE

It evening when the meal is done,
And clear the board once more,
The men-folk gather every one
To talk their problems o'er.
Meanwhile the women, old and young,
Against the hostess' wishes—
And may their praises long be sung—
Go out and do the dishes!

When just a little lad was I,
Just as they do today,
When they had finished with the pie
The men-folk moved away,
And while they told brave tales
Of wars and living fishes
The women-folk took time to do
The silver and the dishes.

In every home it stays the same,
In every land, I think,
The men-folk seek the hearth fire's flame,
The women-folk the sink.
The men-folk sit about and smoke
And spend the time with fable,
And leave it to the women-folk
To clear the dining table.

But here's the dream of free men
all,
The reason war is made:
That peace shall bless the dining
hall.
And keep the table laid,
And when at last the war is won
And all its horrors pass,
The men will chat, with supper
done,
While women shine the glasses.

Today's Talk

By George Matthew Adams

CONFLICT

It has become proverbial that "the
harder the conflict, the more glorious
the triumph." Every aspiring
human being has discovered this.
Every one of our brave boys in battle
knows it deep in his heart.

The diamond is one of the hard-
est of precious stones. It takes great
skill and effort to bring it to the
polished condition where it reflects
the light in brilliant beauty. So
does it take long and arduous con-
flict to bring out the beauty and
strength of character.

The successful man takes pride
in referring to his early struggles and
privations, as though to emphasize
his faith in this fact of conflict, and
to confirm his belief that such a
procedure is essential to anything
gained that is worth while.

"Who wants a 'flowery bed of ease'
in this life? Let such a one put him-
self down at once as a drone and a
useless cog in the machinery of
progress and enlightenment.

Defeats, discouragements, set-
backs, and days and nights of de-
pressed thoughts, are to be expect-
ed—even invited—in order to stir
the soul and compel action, aspira-
tion, and spiritual triumph.

Conflict is essential to the build-
ing of character. It is the one path
that cannot be avoided in one's
march to a successful happiness.
As the poet Lowell once wrote:
"Only those are crowned and sainted
who with grief have been ac-
quainted—making nations nobler,
freer."

Both individuals and nations have
this conflict ever before them. Nei-
ther can remain strong without it.
It is the very flint upon which they
strike all their dreams, all their
hopes, and all their most cherished
ideals.

No one can safely side-step duty.
We were born to it, and it is our
precious privilege to stand fast and
face our opportunities, grasping
them while yet they are warm and
ready to give vitality and promise
to our every effort.

There is something dramatically
celestial about this privilege of con-
flict, for it cleans the soul from end
to end—and puts a man upon a pedestal where he belongs!

"Tomorrow Mr. Adams will talk on
the subject: 'Victory Born.'"

Out Of The Past

From the Files of the
Star and Sentinel and
The Gettysburg Times

FIFTEEN YEARS AGO

Enters Trust Company: Clyde C. Orner, Bendersville, has resigned his position with the C. H. Musselman company, Biglerville, and has accepted a position with the Citizens' Trust company, Gettysburg.

Sells Camp: Christopher Spence sold the Blue and Gray camp with all equipment, six miles south of Gettysburg, on the Emmitsburg road, to Jacob H. Stover. Transfer was made by C. A. Williams, Hanover street.

Banks to close Saturday P. M.: Announcement has been made by the Citizens' Trust Company, the First National and the Gettysburg National banks that during the months of June, July and August their banks will be closed on Saturday afternoons.

Continuing a custom of many years' standing, the three banks will be open Saturday nights from 7 until 8:30 o'clock.

County Couple Wed: Miss Hazel Shultz and Paul Bowling, both of McKnightstown, were married Saturday afternoon by the Rev. John B. Ruple, in the Grace Lutheran church, Westminster.

K. of C. Class Gets Degree: Thirty-five men and women, members of the Gettysburg Councils, Knights of Columbus, attended the opening sessions of the state convention of the Knights of Columbus, at York, Monday evening.

The third degree of the order was exemplified for a large class of candidates, among them seven from Gettysburg. The local candidates were John H. Knox, Francis Clapsaddle, Walter Plank, Andrew Riley, Carl Peduzzi, Francis Redding and Francis Althoff, and Curtis Topper and William Kleffer, of McSherrystown.

Named Head of Orphanage: The Rev. A. P. Frantz, pastor of St. Paul's Reformed church, New Oxford, for five years, announced his resignation at the Sunday morning service.

The Rev. Mr. Frantz has accepted the position of superintendent of the Hoffman Orphanage, near Littlestown, where he will begin his new duties July 1. He succeeds the Rev. Sidney Smith.

Birth Announcement: A son was born Saturday to Mr. and Mrs. John Heck, Toneytown road.

Merchant Takes Bride: Miss Frances Grace Bell, daughter of Mr. and Mrs. James F. Bell, near Hummelstown, and J. Herbert Raymond, son of Mr. and Mrs. John H. Raymond, Springs avenue, were married at the home of the bride's parents, Sunday afternoon at 2:30 o'clock. The Rev. J. M. Davies, pastor of Great Congregational Presbyterian church, officiated.

Mr. and Mrs. Raymond will go to housekeeping in the Blocher apartments, West Middle street.

Adds Ice Cream Parlor: Fred S. Faber, proprietor of the Faber Cigar store, has added to his store room an up to date ice cream parlor.

2 Local Girls Senior Nurses: Two Gettysburg girls were graduated as nurses from the Harrisburg hospital at commencement exercises in the ball room of the Penn Harris hotel, Harrisburg, Friday evening.

The local girls were Miss Dorothy E. Wright, Chambersburg street, and Miss Irene Williams, Hanover street.

Couple Married at East Berlin: Miss Sara Mae Longenecker, Mummastown, and Roy McIlenny Cluck, proprietor of Cluck's print shop, Chambersburg street, were married by the Rev. Foster Group, pastor of the Church of the Brethren, at the parsonage in East Berlin, Thursday evening.

Sells Pitzer Property: The Gettysburg National bank has sold the Hanover street property, formerly the C. E. Pitzer home, to the Rev. John J. Hill, of Pittsburgh, who will take possession on August 1. Transfer was made by C. A. Williams, Hanover street.

Move to Biglerville: Sewell E. Kapp and family moved on Wednesday from the Minter apartments to the home of Mrs. W. E. Kapp, Biglerville. Mr. Kapp, who is employed by the Reading railroad in Biglerville will continue the insurance business of his father, who died recently, along with his other duties.

Award Bid on Mail Route: Hays Beard, carrier of the Star mail route, between Harrisburg and Gettysburg, has been awarded the contract to carry the mail on the consolidated roads between Harrisburg and Gettysburg, Harrisburg and Dillsburg and York Springs. It is understood that Mr. Beard's bid was slightly under \$4,000.

Personal: Mrs. Stephen R. Wink

End Of Churchill-Roosevelt Talks Mark New War Phase

DECISIONS TO
HASTEN ALLIED
VICTORY MADE

By JOHN M. HIGHTOWER

Washington, May 28 (AP)—Con-
clusion of the strategy conference
between President Roosevelt and
Prime Minister Churchill was view-
ed in some quarters today as mark-
ing the beginning of the final phase
of this global war—a phase in which
the United Nations are destined to
undertake full scale offensives in
both Europe and the Pacific.

The end of the historic meeting
was announced by Mr. Roosevelt
late yesterday. He said simply that
"complete agreement" had been
reached on future plans. What
those plans are will become known
only as they unfold in action.

The very wording of the Presi-
dent's statement, however, sug-
gested that when the conference
began there were questions of vast
strategic importance which re-
quired answering to the satisfaction
of both British and American
leaders. The fact that, as Mr.
Roosevelt indicates, they have now
been answered leaves no doubt that
decisions of supreme importance
have been made.

The President's statement said
only this:
"The conference of the combined
staffs in Washington has ended in
complete agreement of future opera-
tions in all theaters of the war."

Invasion This Summer
That the war against Japan re-
ceived the fullest consideration was
made clear by Mr. Churchill in his
address to Congress. Yet it was
equally clear that there had been
no change in the grand strategy
previously agreed upon to smash
Germany first and Japan second.

In the absence of any hints as to
what the conference accomplished
in either the military or political
fields, informed persons here specu-
lated on the probability of several
future developments:

The present strategic bombing
of Germany will be followed by an
Allied invasion of the continent this
summer. It will develop at times
and places where the Axis least ex-
pects it, just as the American drive
to throw the Japanese out of the
Aleutian Islands began with a sur-
prise flanking attack on Attu rather
than a frontal assault on Kiska.

End of Hitler in '44
The war in Europe is expected to
be won by sometime next year at
the latest, but the conflict in the
Pacific may run on until 1945 or
1946, according to reliable esti-
mates.

The forces available for use
against Japan's Pacific flank have
been greatly increased. President
Roosevelt revealed at a recent press
conference that the bulk of Ameri-
can strength already was in the
Pacific. When those forces grow
sufficiently strong and the time is
right, there probably will be an
American thrust which will so di-
rectly threaten Japanese vital in-
terests that the Japanese fleet will
be compelled to fight.

Burma Road Link
Destruction of that fleet is gen-
erally considered to be the primary
objective of the American Naval
High Command. Occupation of
new island bases, now that the
supply lines to the Southwest Pacific
have been secured, is secondary
to that purpose.

The weakest spot in the Allied
ring around China at present, ob-
servers here agree, is on the Con-
tinent of Asia. China, which could
be made a formidable offensive
base, is isolated from British and
American arsenals except by air
transports from India. Reopening
of the Burma Road remains the
number one task of the Allied
forces in India in order that bulk
supplies may be moved into China
readily.

WIDOW BURNS TO DEATH

Pittsburgh, May 28 (AP)—The
coroner's office reported that Mrs.
George W. Ratcliffe, 71, widow of a
former president of the Manufac-
turers Light & Heat Co., burned to
death Wednesday after suffering a
heart attack. A cigaret she was
smoking ignited her clothing.

and daughter, Marion, Rochester,
N. Y., are visiting at the home of
Mr. and Mrs. John D. Keith, Car-
lisle street.

Miss Elizabeth Evans has return-
ed from a visit with Capt. and
Mrs. Samuel Thompson at Rhode
Island.

Miss Anna Brinkerhoff, East
Liverpool, Ohio, is making an ex-
tended visit at the home of Mr.
and Mrs. William C. Storrick, West
Lincoln avenue.

Mr. and Mrs. C. F. Daley, Buford
avenue were in York Wednesday
evening to attend the twentieth re-
union of the class of the York high
school, of which Mrs. Daley was a
member.

Mr. and Mrs. Ross Shuman, Lin-
coln avenue, entertained the Tues-
day Night Bridge club on Friday
evening.

New Parole Board
Is Expected Soon

Harrisburg, May 28 (AP)—Prompt
appointment of a new three-member
state parole board to replace the
five-man group retired automatically
by the legislature's recent adjourn-
ment was in prospect today under a
new law approved by Governor
Martin.

The Chief Executive, who said
he expected to name the new mem-
bers sometime this week, withdrew
from the senate the nominations of
the old board, appointed under the
1941 act, when he assumed office.
The new law, effective June 1, also
eliminates civil service requirements
for 10 parole supervisors.

Two members of the new board
will receive \$9,000 a year and the
chairman \$10,000 compared with
\$10,000 for each of the previous
members and \$10,500 for the chair-
man.

Flashes of Life

VICTORY GARDEN JACKPOT

Duanesburg, N. Y. (AP)—Floyd
Chamberlain's victory garden
paid off before he put his seed
in the ground.

Spading the plot, he began
turning up a crop of silver coins,
the oldest dated 1838. His har-
vest thus far is \$67.

UPSETTING

New York (AP)—A freight car
rounding a siding here jumped
the tracks, banged into two other
box cars which smashed into a
watchman's shanty.

From the battered shanty came
indistinct voices. A wrecking
crew was summoned and extricat-
ed two men. Said one of the
men to the other:
"Well, that's that. Spilled a
quart of beer."

SLEEPYHEAD

State College, Pa. (AP)—Work-
ers at a servicemen's center here
are anxious to learn if a sleepy
sailor has reached Philadelphia.

Unable to keep him awake to
make bus and train connections,
staff members wrote detailed in-
structions to get him to his
destination, pinned the note on his
blouse and started him on his
way. Fellow travelers were ask-
ed in the note to aid the tired
youth.

PROPHCY

Miami, Okla., (AP)—Mrs. Nora
Lish was inspecting flood damage
to her yard.

In a beet patch she found a
book from a home in Fairfield,
Okla., 12 miles away. The title:
The Passing Storm.

OPA SPAT NOW
UP TO BROWN

Washington, May 28 (AP)—A
lively spat between a Detroit ad-
vertising man and a six-foot-eight
former college professor apparently
put Price Administrator Prentiss Brown
in the position today of deciding
which one ought to depart from
OPA and get another job.

A growing row between Lou
Maxon, deputy administrator in
charge of information, and Dr. J.
K. Galbraith, deputy in charge of
price control over their respective
authorities, came to a head yesterday
with an exchange of threats that
finally reached Brown's personal
attention.

Maxon, demanding supervision
over what he terms the "professors"
in OPA, said he'd have to have
complete control over policies and
personnel or he'd quit on the spot.
Galbraith, who taught at Princeton
university and served under former
Price Administrator Leon Hender-
son, said he'd get out if Maxon got
what he wanted. Maxon thereupon
told reporters he'd give Galbraith
15 minutes to pack if he had the
chance.

Brown, without referring to per-
sonalities, told a press conference
that his ranking advisers would have
to get along or "I'll pick the one I
think is best and let the other one
go."

NEW JOBLESS PAY LAW WILL SAVE MONEY

Harrisburg, May 28 (AP)—Secretary of Labor and Industry William H. Chesnut said today that new changes in the Unemployment Compensation law "will simplify procedure and save considerable money" in collection of erroneously-paid jobless insurance benefits.

He referred to a 1943 law which by changing the word "fraud" to "fault," eases the method of recapturing benefits paid through misrepresentation.

"When you aver fraud, it means legal proof and requires legal proceedings which take time and cost money," he asserted. "Under the present wording of the law, if benefits paid are subsequently found to be paid through a mistake, instead of accusing the claimant of fraud, we say it is a fault."

Other provisions Chesnut also said the modification will relieve individuals involved of any stigma of being accused of fraud, and explained that not all benefits found to be paid by mistake are the result of willful misrepresentation.

Other provisions of the measure, a companion law to the new experience rating statute, reducing employers' unemployment compensation costs \$62,000,000 annually, will provide for annual instead of quarterly employer reports.

Increase the minimum benefit period from three to seven weeks. Impose a fine of \$5 upon summary conviction for failure to file a contribution report within five days after such report becomes due.

GAR Veteran Wants To Enlist In Navy

Narberth, Pa., May 28 (AP)—Henry Doll had plenty of military experience and couldn't understand why the Navy wouldn't enlist him for this war.

The fact that he is 95 years old may have had something to do with it, the Civil War veteran admitted. He is one of three Civil War veterans in the Philadelphia area, a survey showed, who because of advanced age will not take part in Memorial Day ceremonies.

Mr. Doll attended the observance of the 75th Anniversary of the Battle of Gettysburg and the last reunion of the Blue and Gray here in 1938.

SUGARLESS! THESE HONEY-FLAVORED ALL-BRAN MUFFINS

You've probably enjoyed famous ALL-BRAN Muffins many times before—but now, try them flavored with honey! Helps you conserve sugar. Contains all the minerals, vitamins, carbohydrates and proteins of ALL-BRAN. Try them soon!

Honey All-Bran Muffins

3 tablespoons shortening
1/2 cup honey
1/2 cup buttermilk
1 cup flour

Blend shortening and honey. Add egg and beat until creamy. Add milk and All-Bran; let soak until most of moisture is taken up. Sift dry ingredients together; add to first mixture, stirring until flour disappears. Fill greased muffin pans two-thirds full and bake in moderately hot oven (400° F.) about 25 minutes.

HIGHWAY TO HER HEART

by MAXINE SHORE

Chapter 21

It was a long day. Bert Stringer was driven by impatience to reach the Peace River and the canoe he had cached there. From the half-breed's shack, Penny learned it was only ten miles by this route. The river took a bend which shortened the distance.

"We'll make camp on the shore tonight," her captor said, "and paddle on to Fort St. John in the morning."

He kept Penny going relentlessly. Weary as she was, she dared not weak the consequences of irritating him by outright rebellion.

By this trail, she estimated, they would probably come out about ten or fifteen miles down river from where she'd left Cleve. Penny's heart plummeted. How long would he wait at the Indian encampment before beginning to suspect something was wrong? Several days, probably.

But now, at least, she had a plan. She had hope. She was both eager and reluctant to reach the trail's end. If she should fail—if Bert Stringer should somehow find out—what then? Warm as she was with the exertion of the strenuous hiking overland, Penny couldn't suppress an icy shiver. Stringer would never forgive her for trying to fool him. He'd be relentless. After all, she reminded herself fearfully, he was basically a criminal of the worst sort. She could hold him at arm's length only by keeping him guessing, by flattering his ego.

But—if she should succeed! Penny's heart beat with warm excitement at the thought. She would be free. The precious films Bill had risked his life for would be in her possession. She could, surely, manage to find her way safely back to Cleve. To succeed would be worth every ounce of painstaking effort, every bit of acting skill on her part, loath as she was to have to do it.

It was nearly ten o'clock, according to Penny's watch, when they emerged from the thinning pines and saw ahead the pale glimmer of the river. Soon the sub-arctic dusk would settle for a few hours over the north country, while the sun dipped briefly below the horizon's rim.

Bert Stringer flung down his pack, including the brown dunnage bag. He said, "I'm dog-tired. I'll be glad to get out of this damned country."

Penny dropped her bed-roll, put down her first aid kit.

"Why did you ever come up here in the first place?" she asked curiously.

He was in no mood for confidences. "I had my reasons," he said shortly.

"Maybe you were tending Bill," suggested Penny indifferently, as if it really didn't matter to her.

He snorted. "Maybe—maybe not." Penny decided to drop her questioning, before he became too annoyed. He was snappish as an animal who wants only to rest and be alone. At the moment, body-comfort was paramount with him.

Getting out camp equipment and supplies for their late supper, he rattled the pans and containers savagely.

"Let me help," she said sweetly, although every nerve and muscle of her body protested against it.

"Sure," he said, "why not? Let's see what you're good for, besides looking pretty."

Penny stifled her indignation, went doggedly to work. If only she weren't so worn out. This keeping up, this eternal humiliating pretending was wearing on her physically and mentally. And now, more than any time in her life before, she needed to be alert. Her movements, when the time came, must be deft and sure. Otherwise—otherwise everything would be lost.

Penny felt suddenly the whole burden of the responsibility which had fallen upon her shoulders. Not only for herself, but for Bill, for Powell, for Cleve, she must succeed. Yes, and for many more, perhaps, whom she had never seen and never would. For her country and for the whole world.

"Get a move on," growled Stringer, as her hands slowed under the overpowering weight of this thought.

Gritting her teeth, Penny pushed the jagged end of the tin of corn she was opening into her hand.

She gave a little exclamation of pain.

"What's the matter now?" he demanded, exasperated.

"I cut my hand," she told him apologetically. "Nothing serious. But I'll have to get some gauze and adhesive tape to bandage it with. It won't take a minute."

"Hell," he said. "All right, but make it snappy."

Penny opened her kit hurriedly, got out the things necessary, to bind her self-inflicted injury and, along with them, the little box she'd come across this afternoon while fixing her hurt knee. The latter she slipped surreptitiously into her breeches' pocket praying that in the increasing dimness Bert Stringer wouldn't notice.

Then having taken care of her hand, she came back. Under his increasingly abusive urging and the stress of her own increased tension, she had the meal prepared in no time.

"Well," he said, mollified after a few bites, "you can get a hustle on you when you've a mind to, can't you?"

"Coffee?" asked Penny. She hoped her voice didn't sound as queer to him as it did to her.

Mouth stuffed, he nodded. With hands she couldn't keep from shaking, she gave him the steaming black liquid.

Emptying it, he smacked his lips and passed the cup back to be refilled.

"Nothing like good coffee to set a man up," he said, his good humor returning.

"No," swallowed Penny. "But—don't you ever have trouble with coffee keeping you awake?"

He grinned. "What if I do?" He patted a place beside him. "Come sit over here, sweetheart."

"I'd—I'd rather get everything

SALES TAX IS "LAST RESORT"

Washington, May 28 (AP)—Chairman Doughton (D-N C.) of the tax-framing House Ways and Means committee, long-time foe of a Federal retail sales tax, said today he might favor such a tax "as a last resort" to help finance the war.

"I am speaking for no other member of the committee," he said, "but for myself, I believe that a sales tax should be adopted only, if at all, after all other reasonable means of taxation have been exhausted."

Doughton expressed this view as Capitol Hill began speculating on how to raise \$16,000,000,000 additional, in taxes and compulsory savings, as recommended by President Roosevelt.

The Ways and Means committee will start work on a new general tax bill "as soon as practicable," he said, after pay-as-you-go legislation is disposed of. A House-Senate conference committee yesterday completed details of a compromise measure and the two bodies will vote on it next week.

WRECK BLOCKS RAILS

Tyone, Pa., May 28 (AP)—The main line of the Pennsylvania railroad was blocked four hours after six cars of a fast eastbound freight were derailed near here Wednesday. Two of the cars went over a bank into a pond.

all cleaned up and put away first," she said coyly. "It won't take more than half an hour."

In half an hour, Bert Stringer was so sound asleep he didn't hear Penny rummaging in his brown dunnage bag for the Alcan films. The sleeping tablets had worked wonderfully.

Davies Receives Stalin's Reply To FDR's Letter

Moscow, May 28 (AP)—Joseph E. Davies announced Thursday he had received a written and sealed reply from Premier Stalin to the secret letter from President Roosevelt which he delivered at the Kremlin last week.

The President's emissary said he did not know the contents of Stalin's message and that it was solely for the United States Commander-in-Chief.

Davies said he was leaving directly for the United States.

GEN. EMMONS RELIEVED OF HAWAIIAN POST

Honolulu, May 28 (AP)—Lieut. General Delos C. Emmons, commander of the Hawaiian department of the U. S. Army during the grim days following the Japanese sneak attack on Pearl Harbor, will relinquish that command June 1 and be succeeded by Major Gen. Robert C. Richardson.

General Emmons, who made the announcement of the change yesterday after he had received the Distinguished Service medal in recognition of his outstanding work here, did not disclose his new assignment but speculation immediately arose that he might take over the Western Defense Command and the Fourth Army, now headed by Lieut. Gen. John L. Dewitt.

(In San Francisco, Rep. Richard J. Welch (R-Calif.) said in an interview this week that there was a difference between General Dewitt and a War Department faction over Dewitt's vigorous opposition to any relaxation of the rules excluding Japanese from western defense areas, and because of it, Dewitt was to be transferred with General Emmons replacing him. In Washington, Secretary of War Stimson at a press conference termed such reports of differences "nonsense.")

General Emmons took over the command of the Hawaiian department 10 days after the Pearl Harbor attack. His 17 months here have witnessed the throwing up of defenses costing hundreds of millions of dollars.

Gen. Richardson Spoke Here
Admiral Chester W. Nimitz, commander-in-chief of the Pacific ocean area, presenting him the Distinguished Service medal said that General Emmons assumed command when "the prospects were indeed very grim." * * * General Emmons immediately proceeded to increase and strengthen the defenses. His responsibility extended far to the south and west, where he was charged with the construction of air bases which now are serving us so well.

General Emmons, who is 55, said he would leave for the mainland as soon as he was relieved.

Major General Robert C. Richardson was the Gettysburg college commencement speaker here in 1941.

World Lacks Means To Feed All: Martin

Harrisburg, May 28 (AP)—The earth does not have enough arable acres to feed and clothe the world's population according to American standards, Governor Martin told Pennsylvania's First Class Township Commissioners' convention last night.

"It would be fine," he said, "to have everyone in the world get a quart of milk a day, to have two billion people shod with leather shoes and clothed with wool, but there isn't enough of those things to do it."

Price And Ration Point Lists To Be Published Monthly

Washington, May 28 (AP)—The Office of Price Administration has decided to supply to newspapers monthly lists of official prices and required ration points for groceries, a proposal that won the immediate endorsement of the Committee of Newspaper Groups.

OPA outlined the plan Wednesday at a meeting with publishers and their spokesmen, and said that the newspapers could solicit advertising and build up special sections or pages around the information.

The lists will go out to about 300 cities, beginning July 1. Heretofore, OPA has supplied lists weekly to approximately 200 cities. They will be made available as printed lists, matrices or engravings, according to local needs, about the 20th of each month, thus allowing about 10 days for newspapers to set up special sections.

See No Relief In Shortage Of Gas

Washington, May 28 (AP)—No letup in the east's oil and gasoline famine for "weeks" at least was seen Thursday by Ralph K. Davies, acting petroleum administrator.

Only extremely good results from the ban on pleasure driving, restrictions on commercial traffic and resumption of normal conditions in the flood-bound midwest will "improve the prospect," Davies said. Stocks of gasoline and other petroleum products for civilian use have fallen to a little more than one-fourth of normal.

The floods, snapping a big pipeline and disrupting rail traffic, only hastened "a crisis which was bound to occur anyhow in view of a continued use of motor gasoline" at an excessive rate, Davies asserted.

ASK LIMIT ON SALE OF MEN'S, BOYS' CLOTHES

Chicago, May 28 (AP)—Retailers of men's and boys' wearing apparel should limit sales to customers and take steps to avert "panic" buying to avoid rationing of clothes, believe heads of two large men's wear manufacturers.

Unless the retailers adopt such a policy the situation "may provoke rationing," they were told Wednesday at a meeting of the Chicago Men's and Boy's Wear market by Harold Mittelstadt, president of Wilson Brothers, and Alfred Decker, board chairman of Alfred Decker & Cohn. The retail merchants from 15 midwest states also were told by the two clothing company executives that labor and machinery shortages rather than any decreases in raw materials would affect deliveries by manufacturers this year. Mittelstadt said an increasing number of women textile workers are leaving the industry to seek higher wages in other war work.

Commenting on the labor shortage and the heavy government purchases of textiles, he said he could find no evidence of a "softening" of government buying in the textile field. He said this situation existed despite a record production last year of 13½ billion yards of all kinds of cloth—30 per cent above 1941.

Lend-Lease purchases of cloth goods, he told the retailers, are increasing and further demands are expected. He predicted present inventories will have been depleted by Christmas unless civilian allotments are increased.

Decker said that woolen mills are two to three months behind on deliveries because of lack of machinery to manufacture more goods for civilians and because of the manpower shortage. He urged retailers to impose their own system of allocating goods to consumers.

Torrential Rains Flood Gettysburg And Adams County; Severe Damage

Torrential rains that reached near-deluge proportions and the worst recorded in Gettysburg and Adams county in many years swept through this area Thursday night and caused untold damage.

The destruction, so widespread and so varied, could not be correlated from the various points today but some observers estimated that the damage may reach thousands of dollars.

Trees Uprooted; Cellars Flooded

Some trees were uprooted; a forty-foot retaining wall along the Tiber was smashed and washed away; highways and streets were flooded some as much as eighteen inches; a two-foot, 560-pound piece of terra cotta pipe was lifted by the surging waters and carried for a distance of more than 50 feet; cellars were flooded with as much as five feet of water.

At the Glenn L. Bream garage, Buford avenue, four to five feet of water flooded the basement and about 14 inches covered the first floor necessitating the removal of many automobiles in the display room. About 500 gallons of gasoline was reported ruined when water seeped into one of the storage tanks.

Heavy Damage To Farm Crops

Victory gardens were reported to have been the hardest hit with acres of land, much of it newly planted, washed out. It was impossible to secure an estimate of the loss from this source but nearly every gardener reported heavy losses, some declaring "we haven't a thing left."

Tons of earth were swept from freshly planted corn fields and fields of oats where the sprouting seed was washed into nearby streams or piled deep with mud at the foot of hundreds of slopes in farming sections. No estimates were available today on the probable amount of damage to growing crops in the county.

At the Arendtsville laboratory it was reported that 1.8 inches of rain fell from about 8 o'clock Thursday evening until Friday morning making the total for the last 48 hours 2.85 inches. Rain has fallen on 11 consecutive days, it was reported at the laboratory.

Destroy Preserves

Jars of fruits and cans of preserves in many cellars were lost, one householder reporting that a huge cabinet, filled with cans and jars of fruit, was smashed by the raging waters that burst into his basement, shattering the cabinet and ruining the foodstuffs.

Washing machines and other electrical appliances in many cellars were badly damaged with some reported destroyed. Electric and gas water heaters were put out of service and gas company employees were called to homes to turn off the gas to avoid further destruction.

At the Herman Mertz property, corner of Springs avenue and West street, 14 inches of water was reported on the front lawn. This is the highwater mark at that spot since the Mertz family acquired the property in 1868.

50 Telephones Out

Borough and public utility employees worked most of the night as the downpour of rain, flooding dozens of areas in town, indicated heavy damage. Borough workers assisted police in diverting traffic around flooded areas. Despite this precaution many cars were stalled and drivers waited in nearby homes until the downpour ceased.

Fifty telephones were reported out of service by the United Telephone company.

The Metropolitan Edison company reported only minor fuse trouble before noon Friday.

The Gettysburg Gas corporation reported minor trouble, their activities being confined to the shutting off of gas service at the request of the consumers.

Fence Washed Away

A fence was washed away in the Springs avenue area and some trees were uprooted.

Burgess Fred G. Pfeffer, several councilmen and Borough Engineer Winebrenner were on duty most of the night and early Friday assisting in relieving the flood conditions in town.

Many gardens and lawns in the west end of town were strewn this morning with garbage, cans, bottles and other debris that had been washed from an area at the end of West High street.

\$1,500 Damage at Garage

An estimated \$1,500 damage occurred to the Glenn L. Bream garage where the waters seeped into gasoline tanks, filled the cellar and flooded the garage proper and office.

Employees of the company estimated Friday morning that between

COUNTY NATIVE IS FOUND DEAD NEAR RAILROAD

The lifeless body of Richard Roselle Rutters, 56, formerly of Adams county, was found lying along the Western Maryland railroad tracks near his home, 138 North street, Hanover, about 6 o'clock Sunday morning.

M. R. Tipton, Gettysburg, Western Maryland detective, and Acting Chief of Police J. Frank Mulhorn, Hanover, who are investigating, believe the man was struck by a train. The body was found about 100 feet from the company's Hanover telegraph office.

No Eye-Witness

No eye-witnesses to the tragedy have been found. The victim was last seen about 11 o'clock Saturday night at the Colonial hotel, not far from the point where the body was found. He is believed to have started across the tracks toward his home. Shortly before midnight a long freight drawn by three engines passed the spot and about 1 o'clock Sunday morning a single shifting engine went by enroute to the round house.

Investigators were unable to find any marks on the shifting engine to indicate that it had struck the man. An examination was to be made of the freight locomotives at Baltimore.

Dr. L. U. Zech, the York county coroner, issued the death certificate. He listed the case as accidental and said death resulted from a crushed chest, lacerations about the head and body and concussion.

The deceased was a son of the late David and Mary Adams Rutters and was a native of McSherrytown. He was a member of St. Vincent's Catholic church, Hanover, and a member of the Home Association of the Eagles of McSherrytown. He had been employed by the Hanover Cordage company for a number of years.

Survivors

Surviving are his widow, who before her marriage was Miriam Butler, and these children: Pvt. Richard C. Rutters, U. S. Army, Greenville, Pa.; Leon F. Rutters, Midway; Geraldine C. Rutters, at home; Air Cadet Henry D. Rutters, Baldosta, Georgia; Frederick B. Rutters, at home; Lt. Herbert P. Rutters, U. S. Air Corps, Columbia, South Carolina.

Among the surviving brothers and sisters are the following: George M. John E. and Joseph A. Rutters, all of McSherrytown.

LIGHT WEEK-END TRAFFIC HERE

The new regulations regarding gasoline rationing proved very effective in the Adams county area over the week-end, members of the Gettysburg station of the state police said Monday.

Patrolmen on tour Sunday drove miles without seeing a single car and most automobiles or trucks on the road seemed to be the usual cars driving from county towns to defense plants in nearby cities.

Only during the regular hours when defense workers travel to and from their places of employment was there traffic of any consequence on the road, the officers said. Rural churchgoers used their cars but most townspeople walked.

Girls Win First And Second Honors At Gettysburg High

Top scholastic honors among the members of the graduating class at Gettysburg high school go to Miss Mary McMillion, York street, and Miss Lois Hanawalt, Gettysburg R. 3. It was announced Wednesday by G. W. Lefever, high school principal. They have been named first and second honor students, respectively, on the basis of four-year records.

The annual awards from the Gettysburg High School Alumni association will be awarded to the two girls at the alumni entertainment and dance, Friday evening, at the school building. First prize of \$10 will go to Miss McMillion and the \$5 second prize to Miss Hanawalt. Both have been active also in extra curricular activities.

The first prize winner is a former editor-in-chief of the Maroon and White, school newspaper; is a member of the Quill and Scroll, international honor society for high school journalism; the National Honor Society, and has taken part in the school chorus activities, girls' sports and Girl Reserve work. Recently she received a prize as winner of the annual DAR essay contest. She plans to go to the State Teachers' college at Shippensburg next year.

Miss Hanawalt is a former feature editor on the Maroon and White staff and also belongs to the Quill and Scroll and the National Honor society. She was a member of the debating team and has been active in dramatics and Girl Reserve work. She expects to enroll in the Bakersfield Junior college at Bakersfield, California.

Arthur E. Rice Gets Commission

Arthur E. Rice, Jr., of Biglerville, son of Mrs. A. E. Rice, who resides in Gettysburg, has been commissioned a second lieutenant in the Army of the United States after successfully completing a course of training at the Adjutant General's School at Fort Washington, Md.

His letter of appointment was handed to him by Brigadier General H. C. Holdridge, commandant of the school and Director of Schools Training of the Army Administration Schools, at the graduation exercises of the class.

Lieutenant Rice was one of a selected group of enlisted men, drawn from virtually all arms and branches of the service and designated to attend the Officer Candidate School. During the twelve weeks intensive course he received training in the executive and administrative functions of the Army.

FAIRFIELD SHOE FACTORY READY TO OPEN SOON

Fairfield's first shoe factory—and the first factory of any kind to operate there in many years—is scheduled to begin operations "in about eight days," an officer of the Fairfield Chamber of Commerce, sponsor of the new project, said Wednesday.

L. E. Beaudin, Hanover shoe manufacturer, will open a branch factory in the basement of the Fairfield community building and at the outset will give employment to 60 men and women, some of whom have been receiving training in the Beaudin plant at Hanover during the last several months. The number of employees will be increased later, it was stated.

Ladies' shoes will be manufactured.

Machinery Placed

The new quarters in the community building were described today as nearly ready for operations. New lights have been placed, power lines installed and much of the manufacturing machinery already is in place.

Prospective factory workers have been asked to apply at the community hall in Fairfield to L. W. Bartlett, superintendent for the Beaudin company, between 1 and 2 o'clock in the afternoon or to H. L. Harbaugh between 7 and 8 p. m.

A meeting of the Fairfield Chamber of Commerce has been announced for this evening in the community hall. One item of business to be transacted is the selection of a permanent board of directors for the Chamber. Warren R. Jones is president of the Chamber and Robert B. Martin is secretary.

Three Charged For Unlicensed Dogs

Three countians were charged Wednesday with harboring unlicensed dogs. The charges were laid before Justice of the Peace John H. Baschore by the state dog law investigator, H. E. Oakes. Hearings in all three cases have been set for Wednesday evening at 7:30 o'clock. The defendants are Claude Nace, George Bentzel and Maurice Miller, all of Hanover R. 3.

OPA EXPLAINS RULE ON VISITS TO CEMETERIES

The OPA district office at Harrisburg Thursday issued a statement intended to clarify uncertainty on the part of motorists on Memorial Day visits to cemeteries and under the non-essential driving ban.

Charles J. Ware, chief attorney, said: "The official interpretation states that such cemetery visits by automobile to visit graves of relatives are permitted only if public transportation is inadequate and if the custom amounts to a religious rite. Taxis are not considered public transportation for this purpose.

"The fact that persons may have to walk some distance from a bus, train or trolley stop would not constitute inadequacy, nor would the fact that they run only at occasional intervals.

"The character of annual visits to graves of relatives is essentially religious. Whether a visit of this kind has religious significance must be determined by the conscience of the individual. The essential test is that public transportation should be used for Memorial Day visits to cemeteries wherever possible as a patriotic measure."

Another announcement from the OPA district office stated that truck, bus and taxicab mileage in the eastern gasoline shortage area was cut 40 per cent through the "stretch-out" order on "T" gasoline ration holders. The valid period for third-quarter "T" rations was extended from June 30 to July 25. A daily saving of 20,000 barrels of gasoline daily is expected to result from this order. Another 30,000 barrels daily are being saved by the pleasure driving ban on "A," "B" and "C" book holders.

Residents of Pennsylvania were urged today by the OPA office at Harrisburg to fill out immediately and mail their War Ration Book Three applications. Distribution of the application forms has been nearly completed. Persons who do not receive an application form by June 7 may secure one by calling at the local post office.

Proprietors of restaurants and other eating and drinking places that have just opened or are about to open for the summer were reminded today that they must file price schedules with their local rationing boards promptly.

BOARD ELECTS C. B. WORLEY

Chester B. Worley, Latimore township school director, was re-elected treasurer of the Adams County Board of School Directors at the board's May meeting Monday evening in the office of the county superintendent of schools, J. Floyd Slaybaugh. He will serve a one-year term beginning July 5.

The directors also chose J. Francis Yake, Jr., Esq., as their legal advisor for the current school year and fixed his compensation at \$100 for the services he performed during the 1942-1943 school year.

The directors voted to send a letter to Governor Martin and Dr. Francis B. Haas, state superintendent of public instruction, "urging the veto of House Bill No. 770 which bill withdraws \$500 appropriation and 20 per cent on teachers' salaries in vocational joint school districts in Pennsylvania, paid jointly by the federal and state governments."

The board discussed the new act increasing minimum salaries for teachers for the next biennium but no action was taken.

All members of the board attended with President R. M. Baugher, New Oxford, presiding. Superintendent Slaybaugh and his assistant, Robert A. Bream, were in attendance. The next session of the board will be Wednesday, June 9.

Piney Mountain Inn Sold By Steinberger

The Piney Mountain inn, along the Lincoln highway, several miles east of Caledonia, has been sold by Paul I. Steinberger to John A. Dice, Chambersburg tire merchant. Dice will take possession on June 15 and will operate the hostelry through a manager.

The transaction includes the 44-room hotel, a cottage, 12-car garage and 48 acres of land. The swimming pool, which is owned jointly by Steinberger and Mrs. Harry Marshall, is not included.

USO DONATION

Sale of scrap donated by countians netted the USO fund of Adams county \$24.78, Mrs. Ellen Tipton Buehler, treasurer, announced Thursday.

Decorated

Sergeant Clair L. Wrights, 19-year old son of Mr. and Mrs. Claude Wrights, East Berlin, who recently was decorated with the Distinguished Flying Cross for spotting and bombing a Jap convoy in the South Pacific. Sergeant Wrights has two brothers in the service.

GOVERNOR MAY MARCH MONDAY; PARADE AT 2:15

The hour for the Memorial Day parade here on Monday was changed today from 2:30 to 2:15 o'clock but 3 o'clock remained as the hour for the exercises at the rostrum in the cemetery which will be broadcast over the Mutual network.

The possibility that Governor Martin, who will deliver the memorial address, may march to the cemetery developed Wednesday after William I. Shields, a member of the Sons of Veterans committee, reported that a telephone conversation with the governor's office disclosed that the Governor would be willing to walk rather than ride in an official car as the committee had planned.

The committee said Wednesday that the Governor may walk if he wishes but a car will be available if he indicates his preference in that direction. There will be cars in the parade for other guests, members of the committee and for any old veterans who may come here for the exercises, it was stated.

Luncheon Cancelled

The mounted unit of the Pennsylvania State Guard Reserve from Hanover has accepted an invitation to come here Monday to serve as the official escort for the governor.

Arrangements for Monday's exercises will be completed at a committee meeting to be held Friday evening in the office of William L. Meals, Esq., secretary of the committee which is headed by Commander George N. Coshun of the Sons of Veterans' camp.

Plans for a reception and luncheon for the Governor here Monday noon were dropped when it was learned that Governor Martin will not arrive in Gettysburg until 2 p. m.

OVERSEAS MAIL RULES CHANGED

The War Department has announced that it will no longer be necessary to have the requests of Army personnel overseas for articles to be sent them approved by a commanding officer, provided not more than one parcel shall be accepted for mailing in any one week when sent by or on behalf of the same person or concern to or for the same addressee, and provided further that the parcel otherwise conforms in all respects to the limits of weight and size set previously. Packages are allowed weighing up to five pounds and measuring not more than 32 inches in length and girth.

Under the new rules it will be necessary for a person mailing a package to show the postal clerk the written request from the service man together with the envelope bearing the APO cancellation in which the request is received. When the request is contained in a processed facsimile of a V-mail letter the envelope will not be required. No perishable matter should be included in any parcels.

First class matter may be mailed at any time providing it does not weigh over eight ounces.

HONOR ROLL TO BE ERECTED BY COUNTY GROUP

Dr. Ralph D. Wickerham, representative of the American Legion to a meeting of the honor roll committee Monday evening at Mrs. Smith's restaurant, was elected general chairman of the county committee.

Mrs. Henrietta Blocher, representing the Soroptimists, was named treasurer.

The organization comprises representatives of various town and country groups and will establish a "roll of honor" listing the names of all countians in the armed services. The honor roll will be erected in Gettysburg besides the Dougherty and Hartley building.

Plan Glass Case

Previous plans to have a large painted board bearing the names of the soldiers, sailors, marines and members of the auxiliary services were abandoned in favor of the construction of a glass enclosed case within which the names will be placed on wooden plates so that an alphabetical arrangement could be kept as new names are added.

The plans call for construction of a case 102 inches wide by 84 inches high, to hold 1,600 names. If the number of countians in service exceeds that number the group plans to construct smaller cases on each side of the larger case.

The case will be surmounted by a 2 foot high golden eagle. The names will be pressed into wooden forms and gilded after which they will be clipped into the case. Gold stars will be pressed into the wood before names of those who die in the war.

Seek Contributions

Contributions from various organizations of the county will be solicited to construct the memorial, estimated to cost about \$600. William Beales, a member of the committee will meet with the Adams County Commissioners Wednesday to determine if the county can give anything toward the marker. All of the fire companies of the county and other organizations will be contacted for donations in the near future, it was decided.

Above the case will be the inscription "War Service Honor Roll." A small plaque will state that the memorial was "Erected by the citizens of Adams County to honor those called from the county to the armed services."

The marker will be lighted at night.

MARRIED MEN, YOUTHS CALLED

Notices for filling the June call have been issued by the two local draft boards in Adams county. The Gettysburg board put its notices in the mail, Monday, while the New Oxford board notified their men last week.

The number of men called cannot be announced in advance. The names of those accepted will be made known after they pass their physical examinations early next month.

The New Oxford Selective Service board said Tuesday that a number of volunteers helped fill their quota while a considerable group of 18-year-olds also is included. No married men have been called there, it was announced.

Married men without children form a large part of the call issued by Board No. 2 at Gettysburg. Youths who will graduate from high school within the next two weeks also are included.

Given Two Years For Car Theft

Convicted of unauthorized use of an automobile, Freeman Eyer, Emmitsburg, was sentenced by Magistrate Francis J. Campbell to serve two years in the House of Correction.

Eyer was charged by Sergt. Truman Moon and Corp. Elwood O'Hara, of the state police, with the theft of a car belonging to a Pennsylvania resident in Emmitsburg. He was further charged with having wrecked the machine near Emmitsburg.

TROOPER TRANSFERRED

Private Ronald W. Wagner, member of the criminal investigation detail of the state police here for the last two years, has received orders for his transfer to Harrisburg on June 1. He will be replaced here by Private Harold Trout, whose home is in Philadelphia.

NE VIOLATION REPORTED HERE IN "BLACKOUT"

Glenn L. Bream, owner of a garage on Seminary avenue, was urged today before Justice of the peace John H. Beshore with violation of blackout regulations. The charge, made by Chief of Police Glenn Guise, was that the direction of the borough council of defense, alleges that a light was burning in the show window of the Bream establishment, during the blackout test Sunday night, that there was no outside light to allow wardens to extinguish the light and that there was one at the garage to put out the light.

The Bream violation was the only one reported to the council of defense during Sunday evening's surprise blackout. Prior to last month's tests were announced as about to happen within a particular period of days. Wardens were complicated by the Gettysburg council of defense efficiency they displayed despite the surprise element.

The county council of defense announced the test was "apparently successful" while stating that every community had reported all going well during the test.

The several hundred attending accaulete services at Littlestown high school found the services lasting longer than expected.

The service began Sunday evening at 8:30 o'clock in the Littlestown high school auditorium with the Rev. D. S. Kammerer, pastor of St. Paul's Lutheran church as the speaker. Five other Littlestown preachers took part in the service.

The service was underway when the blackout began. Wardens present went to their posts, while the remainder of the school students and parents present remained in the auditorium for the duration of the blackout. The addresses and other portions of the service were continued in the dark.

A number of people in various communities had just left church services when the blue signal was given at 9:20 p. m. They rushed home through the blackout in an attempt to reach cover before the red signal. Stopping of all pedestrian and auto traffic started at 9:35 p. m.

First warning of the impending test was given at 9 p. m. when the yellow signal was passed to key men, informing officials of the civilian defense set-up that a raid was impending.

The last blue signal was given at 9:50 p. m. and the white or all clear signal was announced by the whistles of wardens and the turning on of street lights at 10 p. m.

Wardens in Gettysburg called the Gettysburg control center on a problem caused by a state motor police car driving through during the red signal with the lights on low beam. The police car was stopped five times between the edge of town and the end of Hanover street when the officers stopped to wait out the red signal.

Contentions of the officers that they were permitted to drive through a red signal on low beam lights was supported by officials of the Gettysburg council of defense who pointed out that under the law regulating blackouts the officers are allowed to drive at any time during a blackout on low beam until such time as blackout lights are available for police cars.

All-Clear Confused
An investigation to determine why the whistles did not sound was being conducted today by C. C. Culp, chief warden in the eastern end of town and a furniture factory company official.

Regulations stating that the all-clear signal during a raid will be given by radio caused confusion in some sections of town. A number of wardens saw lights go on in houses before the raid test was over and attempted to urge residents to put out their lights until the all-clear was officially received. The householders told wardens they had heard the all-clear signal over the radio a few minutes before it was received at local control centers.

The Gettysburg control center told the wardens that it was permissible under regulations for householders to put on their lights when they hear the all-clear by radio whether or not the all-clear has been received in town by that time.

\$100 Damage In Two-Car Crash

Damage estimated at about \$100 resulted when the car of Robert L. Miller, 17, Biglerville R. 1, struck the parked machine of John Allen Sheffer, Gettysburg R. 3, at the Thomas gasoline station, three and a half miles north of Gettysburg on the Biglerville road, Sunday evening about 6:45 o'clock.

Private Anthony Martin of the Gettysburg detail of the state police investigated the accident. He said the Miller car went out of control when a steering rod dropped to the roadway. No one was injured and no charges were brought.

A daughter was born Thursday at the hospital to Mr. and Mrs. Herbert W. Miller, Biglerville R. 1. Mr. and Mrs. Kenneth Carey, Gardners R. 1, announce the birth of a son at the hospital Wednesday evening.

Heavy Rains

(Continued From Page 1)
400 and 500 gallons of gasoline was ruined by water seeping into the tanks and said that that figure would probably have to be revised upward before a check on the amount of gas in the tank was completed.

The cellar of the building was completely filled, with the fire company pumper being employed Friday morning to dump the water out. Employees were removing gaskets, brake lining, and other parts from the building Friday to determine how badly they were damaged. Most of the gaskets were completely destroyed and much of the brake lining was so soggy that it was felt it would be useless.

Buford Ave. Closed
Buford avenue in front of the Bream garage was flooded so deeply all traffic was stopped for about three hours. A number of cars stalled in the flood waters between the Reading railroad line and the Bream garage and had to be pushed out. Borough police for a time halted traffic and detoured it through other streets.

Buford avenue was completely covered Friday morning with cinders and stones washed from Seminary avenue. Besides surface water much water poured from the storm sewer leading from the Tiber after that stream became flooded and backed up into the street.

The guard wall at the home of Chief of Police Glenn Guise, along the Tiber was completely washed out taking with it the surrounding soil. The foundation of the Guise house was completely exposed. Damage was estimated at several hundred dollars.

Bridge Approach Out
The approaches and fill of the bridge over a stream near Raymond Scott's on the road to the pumping station were washed out, closing the road to traffic, the highway department reported Friday. J. William Kendlehart, Jr., superintendent of highways in the county, said the damage to the bridge was the only bridge damage reported early this morning.

A large number of roads were flooded throughout the county, he said. The Gettysburg-Hanover road was closed at 2 a. m. when the Conewago creek went across the road near McSherrystown. Marsh creek closed the Fairfield road at the camelback bridge west of town and tore out a berm near the bridge.

State highway department workers were clearing debris from most of the roads in the county where streams flooded across or ground washed out from nearby fields.

Berms of the Lincoln highway were filled with mud washed down from high banks by the rain.

Workmen Busy
Mr. Kendlehart said he could give no estimate of the amount of damage. In some places in the county the top surfacing of roads was torn away but as far as could be learned all the unpaved roads were passable.

Two crews of three men each of the Adams Electric cooperative have been at work since Thursday, the REA office said. Workmen who went out Thursday to repair an insulator on a pole south of Fairfield that had been struck by lightning continued in the field as numerous reports came of service failures caused by rain. No estimate could be given of the number of farms where light service failed because of the tearing away of lines or short circuits caused by soaked lines.

Vernon Corle, manager of the Water company and the entire crew of the company worked through most of the night at the pumping station along Marsh creek.

Corle reported the flood waters at their highest stage since 1934 at the pumping station. The road leading to the bridge near the pumping station was covered by about three feet of water, and part of the road leading from that road back to the pumping station proper was under water.

There was about a foot of water on the floor of the pipe gallery in the station. The company workers cut off all inflow of water into the plant and to the town from midnight until 2:30 o'clock Friday morning because of the flood of water pouring into the plant building. No possible effort could be made to purify the water and so all connections with the town were cut off, Corle said.

The United Telephone company reported that about 50 subscribers were cut off from service along the Chambersburg pike between here and Seven Stars when the flood waters reached and short-circuited a cable.

Bridge Is Submerged
Among the places without telephone service was the sub-station of the Pennsylvania State police. Cars on all highways leading into Gettysburg were stalled by the flood. The Rev. Robert Sulkowski, assistant pastor of St. Francis Xavier Catholic church, and the Rev. Fr. Vincent Nels, of Hanover, returning from a diocesan meeting of priests at Harrisburg were stalled by flood waters across the road near the county home.

The oil pit at Floyd Miller's service station was filled by water which raised to 14 inches above the pit before receding. Loss there was also unestimated with some water getting into oil tanks.

White Run overflowed the Littlestown road while at Barlow Rock Creek reached such a height it was running across the top of the bridge, according to reports. Great amounts of debris remained on top of the

SATURDAY TO BE POPPY DAY IN GETTYSBURG

Saturday will be Poppy Day in Gettysburg.

Members of the Cardinal Girl Scout troop of St. James Lutheran church and the Carolyn Codori Girl Scouts of St. Francis Xavier Catholic church will be the salesgirls for the 1,000 "buddy" poppies that the American Legion Auxiliary here has secured for sale at a minimum of 10 cents each.

Sales will start at 9 a. m. Three cash prizes of \$1.50, \$1 and 75 cents have been offered to the girls turning in the largest amounts of money for the poppies they sell. Mrs. Howard W. Sheffer is chairman of the Poppy Day committee and announced plans for the event at the regular Auxiliary meeting, Monday evening, in the Legion home.

Council Session
Mrs. LeRoy H. Winebrenner, sub-chairman for the U. S. O. dance Saturday evening, reported on plans for the dance and arrangements also were announced for the meeting of the four-county council to be held here June 3 in St. James Lutheran Sunday school rooms. The annual election of officers of the four-county council will be held at that session.

The Auxiliary voted \$5 to the department fund for cigarettes for soldiers serving overseas and an appeal was made for old victrola records which may be used either as they are or may be processed into new records.

118 in Auxiliary
Auxiliary membership now stands at 118. The quota for the current year is 156. Mrs. Frank Deardorff was named chairman of entertainment for the month of June and Mrs. Paul Spangler was chosen as head of the refreshment committee for the month.

A covered dish luncheon was announced for June 14 at 6 o'clock. At the regular business session that will follow the supper, the annual election of officers will be held.

Mrs. Howard Hartzell presided at the meeting with about 20 members in attendance.

Council Inducts Three New Members

Three new members were inducted into the Queen of Peace Council of the PCBL at its regular meeting Monday evening at St. Francis Xavier school.

The new members include Miss Rosetta McKenrick, Miss Catherine Marsden and Mrs. Martha Small. Final reports of committees in charge of the recent 25th anniversary celebration were presented.

The president, Mrs. Ralph Menchey, presided.

bridge after the flood receded, according to persons coming through that section Friday morning.

Fields Gullied
Piney creek at the D. F. Shriver Canning company, Littlestown, flooded the road there and stopped traffic for a time.

Roy D. Renner, county clerk of courts, said that on his trip to Gettysburg Friday morning from Littlestown he saw a number of newly planted corn fields where huge gullies, two and three feet in depth had been torn through the fields by the rain.

Damage to fields throughout the county was reported by a number of other persons including field men of the REA who said that they had seen nearly a hundred fields that were either covered by water or which had been washed badly.

Residents along Water street and other streets bordering the Tiber suffered possibly the worst damage in Gettysburg. Residents of East Water street said Friday the flood was the worst they had ever seen. Some said the Tiber seemed to leave its banks near the college and run into Water street.

Tiber on Rampage
Nearly every home along Water street had some water in the cellar and some had from two to four feet. Most residents of the street this morning were engaged in pumping water out of their cellars and clearing away debris deposited on their lawns and pavements by the floods.

The Tiber tore out a large section of the fill at land owned by Daniel Shealer to the south of West Middle street, and deposited the fill on lawns and pavements between there and Rock creek. Cinders from the railroad crossings were washed down with other debris and deposited on lawns and on the Gettysburg college campus. The Reading railroad bridge across the Tiber south of West Middle street was covered two feet deep this morning with stumps, mud and other debris. A fence to the rear of the Atlantic gasoline station on West Middle street was torn down.

Ortanna was isolated by the waters of the stream near the town, residents reported. The stream blocked all traffic to the west from Ortanna, overran fields nearby and stood 14 inches deep in orchards around that section, it was reported.

The Lincoln highway west of town was flooded by a small stream near the Hershey farm, east of McKnightstown, and at Willoughby Run, near the state police station.

Trustees Seek Securities Of Old Trust Company

Liquidating trustees of the Citizens' Trust company of Gettysburg filed in court Saturday their fourth account in winding up the affairs of the bank which was merged with the First National in February, 1932. At the same time the trustees began an equity action for a court order requiring the former directors of the trust company and the state secretary of banking to turn over cash and securities pledged 11 years ago to make good any deficiencies in the transfer of assets to the First National bank of Gettysburg.

The new account covers the period from June 27, 1938, to March 17, 1943, and shows assets on hand of \$118,221 and liabilities of \$154,774 leaving a deficit, based on book values, of \$36,552.

Waive Commission
The 25-page account was filed by the three trustees—M. E. Knouse, Harry L. Snyder and Edmund W. Thomas—who at one point in their 25-page account state that "in view of the apparent loss to be sustained by the First National bank of Gettysburg on the note of the Citizens' Trust company of Gettysburg" waive any further commissions in connection with their trusteeship at the close of the pending account.

The trustees were charged with handling the liquidation of a total of \$876,794 and under the law were entitled to a commission of one per cent for their services. With the filing of the first three accounts they received a total of \$3,217. The amount to be paid in this account is \$4,387, leaving a balance due them of about \$1,163 which they will not claim.

List Nine Items
The court on Saturday set June 26 at 11 a. m. as the time for a hearing on the petition for confirmation of the fourth account.

The account sets forth that in addition to the assets listed, there are nine items, including securities, a certificate of deposit and cash, which were pledged by 11 former directors of the trust company as collateral security for the making

Kids' Play Nets \$1 For Red Cross

The Biglerville Red Cross committee received \$1 Monday from a group of children who, on Saturday afternoon, presented a play entitled "The Clover Family" in Yost's barn in order to raise money for the organization. An admission fee of five cents was charged.

Included in the cast were the following: Audrey Heller, who portrayed the part of "Miss Martha Wilt"; Carolyn Taylor in the role of "Mary Lou Clover"; Doris Sillik who took the part of "Mrs. Clover"; Helen Slaybaugh as "Betsy"; a neighbor girl, and Ida Mae Walter in the role of "Jack," a neighbor boy.

SUBSTITUTES FOR POTATOES ARE SUGGESTED

Washington, D. C.—"What will I serve in place of potatoes?" is the question most frequently asked by the country's housewives as the potato shortage grows more acute daily in many areas.

The thought of doing without a staple food is at first startling, but there is a "how" to everything, including the replacement of one food by another, according to Miss Melva Bakkie, director of the American Red Cross Nutrition Service.

First alternate suggested for the white potato is the sweet potato. The chief difference in these two potatoes lies in the fact that there is a greater quantity of sugar and Vitamin A in the sweet potato as compared to the white potato which contains more iron.

Other substitutes are breads and cereals, important energy-giving foods rich in body-building substances. Whole wheat, brown rice and whole-ground cornmeal are also good because they contain grain parts that are usually lost in milling and which contain chiefly minerals and vitamins.

Watch Diet Balance
Don't overlook the use of the varieties of beans and peas. Waffles and pancakes, especially when made with enriched flour, offer another group of alternates along with French toast and bread stuffings. Hominy, rice, noodles and macaroni, factured pastes, such as macaroni and spaghetti, offer inexpensive and palatable sources of energy. But like potatoes and other starchy foods they should be used with milk, eggs, vegetables, fruits, meats and other foods in order that the diet may be well balanced.

"Particular emphasis should be placed on the nutritional balance of menus," said Miss Bakkie. Potato substitutes frequently lack the valuable vitamins and iron which the lowly vegetable possesses and care must be taken to provide this deficiency with sugarcorn dishes.

good "of the impairment of capital and/or surplus of the Citizens' Trust company which are regarded as available for any deficiency of assets of the trust company to meet its liabilities." Those nine items are valued at \$20,964, reducing the deficit by that amount.

The equity action which also was started on Saturday was filed by Franklin R. Bigham, Esq., as counsel for the trustees. Mr. Bigham also prepared and filed the trustees' account.

30 Days to Answer

The suit in equity is against William C. Freeman, the secretary of banking of Pennsylvania; the First National bank as executor of the will of the late W. F. Gilliland; Harvey W. Knouse as executor of the will of S. B. Gochnaur; Howard C. Hartley, J. R. Hartman, D. S. Mickle, F. M. Musselman, H. S. Reagle, C. Ray Rupp, J. Luther Scott, and Harry L. Snyder.

The defendants are required to enter an appearance in the suit within 15 days after service of the summons upon them and are required to file answers to the bill within 30 days.

The suit is based upon an agreement, a copy of which is attached to the equity bill bearing the date of February 16, 1932.

The trustees are asking the court that the certificate of deposit, securities and cash put up by the directors—some of which later were turned over to the state secretary of banking—be declared the absolute property of the trustees, and that Secretary Freeman be directed to deliver the items on the list that are in his possession.

The bill in equity sets forth among other things that the actual market value of the assets of the closed bank now is about \$107,826 instead of the book value of \$118,221 so that the actual deficit is \$46,947 instead of the \$36,552 mentioned above.

The trustees filed their first report with the court in 1936. The second was filed in August, 1937, and the third in September, 1938.

OPA DEFINES "HOME CANNED" FOOD PRODUCTS

A definition of "home-canned" foods as distinguished from commercially canned products, was issued by the Office of Price Administration Monday in answer to many inquiries from housewives who sell a part of the fruits and vegetables they put up at home.

All home-canned fruits and vegetables have a "point price" of eight points per quart under the processed foods rationing program. Commercially processed foods, on the other hand, have specific point values assigned to each kind and container weight, according to the OPA's official table of point values.

Processed foods are considered to be "home-canned" by OPA if they meet the following requirements:

1. They have been canned in a kitchen primarily used for the preparation of meals, or in a kitchen used to demonstrate the preparation of such meals as in a school or home economics center; or

2. They have been canned in a separate building or shed which a farm home has equipped for canning purposes, provided that the owner has first obtained permission which will be granted, if the applicant indicates clearly that the facilities are not of commercial-production scale.

Food processed in any other kind of plant is considered by OPA to be a commercial product, and may be sold only at the current point value. However, families who wish to use commercial canning facilities to provide food principally for their own use, may do so and, under certain circumstances, acquire such food point-free.

EXPECT CROWD AT ALUMNI FETE

One of the largest crowds in the last several years is expected at the Gettysburg high school alumni association entertainment and dance to be held at the high school gymnasium Friday evening.

"The response of alumni so far has been very encouraging," J. Herbert Raymond, general chairman, announced.

The committee in charge moved back the program from 8 to 8:15 o'clock. A number of activities including the drill by the home guard was given as the reason for the later starting hour.

Decoration of the gymnasium on a patriotic motif is scheduled for completion this evening.

The program for the annual affair, open to all alumni and guests, will include dancing to "Bill" Jones' orchestra, and novelty acts, singing, guitar solos and other musical features.

The alumni association is holding the dance and entertainment instead of its annual banquet which was cancelled this spring because of rationing.

LIONS TOLD OF GUARDSMEN BY CAPT. C. A. BRAME

The organization, purpose and training of the Adams county's Company A-1 of the Pennsylvania State Guard Reserve were explained to members of the Gettysburg Lions club at their weekly dinner meeting, Monday evening, by Capt. C. Arthur Brame, company commander, while Sgt. George N. Coshun assisted with several demonstrations of phases of the guardsmen's training.

The county company, originally authorized for a strength of 60 enlisted men and three commissioned officers, began its active training March 12 and since has been expanded to 100 men. Captain Brame stated. He spoke of the duties of the guard in protecting vital installations in the event of sabotage or invasion and read the oath each guardsman takes.

Pointing to the "purely personal sacrifices" which the guardsmen would be called upon to make if their services were needed, he reminded the clubmen that the state is not responsible for injuries the men receive in training or on duty and has made no provision for remuneration.

Stating that the home guard of England has been given great credit for saving the British Isles from Axis invasion, Captain Brame said the guardsmen in this county are preparing themselves to serve in just as important a capacity as their British counterparts.

Nominate Officers
Then the captain referred to special training he, Lt. George Dehoff, Sergeant Coshun and Corp. Amidee Ecker took recently at Fort Meade. They engaged in field operations, were shown the fundamentals of judo and were given special training in observation in the field. The Lions were given three tests—one to show the importance of accurate communication of orders, another to check up on their abilities at visual observation and the third to identify odors.

During a brief business session that preceded the program, Past President Henry T. Bream presented the following report for the nominating committee: President, Hugh C. McElheny; first vice president, J. Milton Bender; second vice president, Glenn L. Bream; third vice presidents, Fred G. Pfeiffer and Milton R. Remmel; secretary, G. W. Lefever; lion tamer, J. B. Collins and Clarence J. Waybright; tail twister, Robert Smith and C. A. Cluck; treasurer, Elmer H. Schriver; directors (two to be elected), R. Z. Oyley, C. Paul Cessna, Mahlon P. Hartzell and Sydney J. Poppay.

Vote \$3 to Flag Fund
At a meeting of the board of directors after the general session, June 14 was set as the date for the annual election.

The club voted \$3 to a local committee raising funds with which to purchase an American flag and an Air Corps flag for the 55th College Training Detachment of the U. S. Air Force at Gettysburg college. The request for the donation came to the club in a letter from this committee: George W. Bochner, James B. Aumen, Paul L. Roy, Judge W. C. Sheely, J. E. Snyder and Paul L. Spangler.

President William A. Beales presided at the meeting which was held at Mrs. Smith's restaurant with 25 Lions and guests in attendance.

The club has voted to omit its meeting on next Monday, which is being observed locally as a holiday.

LATE WIDOW SHARED WILL

Harrisburg, (AP)—Argument on nine appeals from a lower court decision dividing \$57,000 left in trust in 1890 by J. C. Bomberger, founder of a former Harrisburg bank, came before the Pennsylvania Supreme court Wednesday.

Bomberger's will left the fund's income to Mrs. Lillie M. Aughinbaugh of Gettysburg who, childless, died a year and a half ago. Nieces and nephews of Bomberger claimed shares of the fund.

The Dauphin county court awarded half to kin of Bomberger residing in nearby Steelton and the other half to J. E. Reiser and J. M. Sharp of Chambersburg. Other claimants appealed to the high tribunal.

Died Here in 1942

Mrs. Aughinbaugh died at her home on Springs avenue, March 7, 1942. Her will, which was filed a few days later at the court house here, disposed of an estate estimated to be worth about \$170,000 in real estate and personal property.

Gettysburg college was bequeathed her home; \$1,000 each was given to the Gettysburg Civic Nursing association, the Gettysburg YWCA, the Women's League of Gettysburg college and the Women's Service Guild of Christ Lutheran church.

She left \$50 to her former Gettysburg Times newsboy, Joseph Slonaker, and willed her farm near Shippensburg to the man then living upon it.

Frank A. Robbins, Jr., Steelton, a nephew-in-law of the deceased, and the Gettysburg National bank were named executors.

Road Funds Will Be Paid By State

Checks totaling \$14,604.35 are being issued from the office of State Treasurer G. Harold Wagner at Harrisburg, it was announced, to cover 21 second class townships in Adams county their second quarterly installment of monies due them this year from the Commonwealth for highway and bridge work.

The Act of August 6, 1941, appropriated \$10,000,000 out of the motor license fund to pay these townships the state's share of maintenance, construction, surfacing and improvement of roads and the maintenance, construction and reconstruction of bridges. The act specifies quarterly payments on March 1, June 1, September 1 and December 1.

The amounts due townships in this county follow:

Berwick, \$204.79; Butler, \$805.75; Conewago, \$215.38; Cumberland, \$753.96; Franklin, \$1,386.46; Freedom, \$306.01; Germany, \$409.58; Hamilton, \$520.22; Hamiltonban, \$579.06; Highland, \$381.33; Huntingdon, \$1,061.62; Latimore, \$956.11; Liberty, \$480.20; Menallen, \$927.45; Mt. Joy, \$979.24; Mt. Pleasant, \$1,072.22; Oxford, \$311.90; Reading, \$996.18; Straban, \$896.85; Tyrone, \$852.60; Union, \$488.44.

ALL OFFICERS OF MARYLAND SYNOD HONORED

Three hundred clergymen and lay delegates from the 141 parishes of the Evangelical Lutheran Synod of the state of Maryland gathered in the Church of the Abiding Presence at the Gettysburg Lutheran Theological seminary for their 124th annual meeting—a stream-lined war-time gathering with the schedule reduced from the usual three full days to one day and a morning and afternoon session on the second day.

The Synod, which held its meeting here last year also and has been invited to make this its regular meeting place, re-elected its full staff of officers at the first business session this morning.

The officers are: President, Rev. Dr. Raymond Sorick, Silver Spring, Md.; secretary, Rev. J. Frank Fife, Baltimore; treasurer, Virgil W. Doub, Middletown, Md.; and statistical secretary, Rev. W. G. Minnick, Baltimore.

One report which attracted special interest was that of Dr. J. Gould Wickey, Washington, D. C., executive secretary of the Board of Education of the United Lutheran Church, on plans for encouraging young men to enter the Lutheran ministry. A "serious situation" is foreseen in the future, one Synod officer said. "If means are not found to bring young men into the ministry in spite of the operation of the Selective Service and other forces which call upon them in war time."

Dr. A. R. Wentz, president of the seminary here, presented his annual report on affairs at the institution. Dr. W. C. Waltemeyer, Gettysburg, a member of the Maryland Synod, conducted the devotions at the opening session this morning.

ORDAIN FIVE LOCAL ALUMNI

Five alumni of the Gettysburg Lutheran theological seminary were among 17 young Lutheran ministers who were ordained at the Wednesday evening session of the Central Pennsylvania Synod at Harrisburg. Dr. E. Roy Hauser of Clearfield delivered the sermon.

Those ordained and their calls included: Herbert W. Stroup, Jr., Harrisburg, St. John's church, Mercersburg; Cedric W. Tiber, Gettysburg, associate pastor, Keller Memorial church, Washington; Glenn W. Sachs, Gettysburg, The Lutheran Charities, Detroit; James W. Lewis, Quincy, Windber; and Charles R. Stevens, Heidlersburg, Dauphin.

The synod was told by Dr. N. M. Ylvisaker, president of the Lutheran Chaplains' association, that the number of Army and Navy chaplains will be increased to "more than 10,000."

The church leader declared "the government is throwing the doors wide open to religion and giving it the right of way" and added there are now 5,000 Army chaplains and 1,200 in the Navy.

Two Inducted Into Service On Friday

Waybright Thomas, son of Mrs. Revere Thomas, Biglerville, reported Friday at Camp Meade, Maryland, for service. From there he will be sent to Georgetown university, Washington, D. C., for specialized training.

Robert Oyley, son of Mr. and Mrs. Harvey Oyley, Gettysburg R. D., was inducted at New Cumberland, Friday. Both Thomas and Oyley enlisted as members of the Army Reserves while students at Gettysburg college.

BIRTH ANNOUNCEMENTS

Freshmen Win Inter-Class Track Meet At Gettysburg High For First Time

SOPHOMORES IN SECOND PLACE; DASHES THRILL

Capturing five first places, the freshman class track team of Gettysburg high school won the inter-class meet championship for the first time Tuesday afternoon in the fifth annual event. The frosh tallied 46½ points, sophomores 34½, seniors 33, and juniors 28.

Any member of the varsity squad who scored a point or fraction of a point in the varsity meets was ineligible to participate.

Two of the most interesting events of the afternoon found two brothers stealing the show.

Fred Heatwole, freshman, won both the 100 and 220-yard dashes by barely nosing out his brother, Bill, a junior, in both events.

Fred Haehnlen, sophomore, was the only other double winner. He won the 110-yard low hurdles as well as the javelin toss. Haehnlen also placed third in the 100-yard dash to gain top individual scoring honors.

Previous winners of the class meet were the sophomores in 1937 and 1938, and the juniors in 1941 and 1942.

The summaries:

Pole vault—First, Bowling, freshman; second, Tonsil, freshman; third, tie, Utech, junior, Sheffer, sophomore. Height, 8 ft. 9 in.

220 yard dash—First, Heatwole, Fr.; second, Heatwole, Jr.; third, Schwartz, Soph.; fourth, Mitchell, Sr. Time, 26 seconds.

880 yard run—First, Conover, Sr.; second, Smith, Jr.; third, Sachs, Fr.; fourth, Small, Soph. Time, 2:25.5.

100 yard dash—First, Heatwole, Fr.; second, Heatwole, Jr.; third, Haehnlen, Soph.; fourth, Wolfgang, Fr. Time, 11.5.

Shot-put—First, Swinn, Sr.; second, Sheffer, Jr.; third, Oylar, Sr.; fourth, Eisenhart, Soph. Distance, 34 ft. 4½ in.

300 yard dash—First, Trussell, Fr.; second, Oden, Soph.; third, Raffensperger, Sr.; fourth, Roth, Sr. Time, 40 seconds.

High jump—First, Sheffer, Jr.; second, tie between Utech, Jr., Stoner, Sr., Shryock, Sr., Carter, Fr. Height, 4 ft. 8½ in.

1 mile run—First, Small, Soph.; second, Whittinghill, Fr.; third, Price, Jr.; fourth, Saylor, Fr. Time, 5:19.

110 yard low hurdles—First, Haehnlen, Soph.; second, Roth, Sr.; third, Sperry, Soph.; fourth, Price, Jr. Time, 17.7.

880 yard relay—First, seniors; second, freshmen; third, sophomores. Time, 1:52.7.

Javelin—First, Haehnlen, Soph.; second, Sachs, Fr.; third, Saylor, Fr.; fourth, Swinn, Sr. Distance, 114 ft. 4 in.

Broad jump—First, Carter, Fr.; second, Heatwole, Jr.; third, Shryock, Sr.; fourth, Moyer, Fr. Distance, 17 ft. 5½ in.

Discus—First, Oden, Soph.; second, Swinn, Sr.; third, Sheffer, Jr.; fourth, Sanders, Fr. Distance, 96 ft. 8½ in.

ARMSTRONG HAS FULL SCHEDULE

By SID FEDER
New York, N. Y. (AP)—It is just a year now since Henry Armstrong started to prove to the folks that the only thing washed up about him was his laundry every Monday, so the hammer is having a little anniversary celebration around town for a couple of days before hitting the road again.

This is the road, incidentally, that started out as a comeback trail and which Henry now believes is a one-way street back to the lightweight championship.

Summer Schedules
The little buzzsaw has outlined a tentative schedule for the rest of the summer, beginning with his June 11 party with Sammy Angott here, fights with Willis Joyce in Los Angeles and Jim Garrison in Portland, and some warm-weather ball-park belting against Lightweight Champ Bob Montgomery in Philadelphia and Ray Robinson in Pa. Knickerbocker's village, although these last two are a couple of clout parties which are still in the "talk" stage.

After that, he expects the road may lead him back to the lightweight title — although "that won't come off until I can get a crack at the undisputed championship." At the moment, Montgomery owns part of the title while the National Boxing association doesn't recognize anyone, but wants Bob and Angott to fight it out. When all the shooting's over, Henry is going to start taking target practice on the survivor—and he has no idea of retiring.

GETS DEFERMENT
The classification of John Albertus Sentz, 122 M street, Littlestown, was changed by the area Board of Appeals from 1A to 2A and he has been granted a six-month deferment, it was announced today by Draft Board No. 1 at New Oxford.

Dahlgren Will Be Inducted In June

Philadelphia, Pa. (AP)—The Phillies learned Thursday that Babe Dahlgren's draft number is definitely up.

Word went out to the club in Cincinnati that the hard-hitting shortstop has passed his preliminary physical examination and probably will be called for induction next month.

Dahlgren, who led the National league in batting until a few days ago, had one hit in three chances yesterday as the Phils lost to the Reds, 1-0, in the ninth.

PIRATES MAY LOSE LANNING THROUGH DRAFT

The badly crippled Pittsburgh Pirates got more bad news in the wake of one of their most disastrous eastern trips—outfielder Johnny Wyrostek will be out for a month and pitcher Johnny Lanning was notified he has been reclassified in 1-A. The Bucs won 3 and lost ten in the east.

Lanning requested his draft board at Asheville, N. C. for permission to take his physical examination here. If he passes he may be inducted before the end of the month. Lanning was rejected by the Navy six months ago when he tried to enlist and also was turned down because of physical ailments when he applied for officers' training camp.

Wyrostek, wrenched his left shoulder in making a diving catch of a ball. An examination disclosed the flesh was separated from the joint and will take four weeks to mend, club officials said.

Fletcher Out
First baseman Elbie Fletcher, who hurt himself trying to spear a foul ball at Shibe park in Philadelphia, will be out for a few days also.

Meanwhile rookie Jimmy Russell, from Fayette City, was filling in at first base in fine style, getting four hits in the two games on Sunday.

Russell banged out a home run in Monday night's exhibition contest against York, while Huck Geary and Bob Elliott each got four safeties in five attempts as the Pirates won 8 to 1.

USO DANCE AT GYM SATURDAY

The fourth in the series of USO sponsored dances for service men and women will be held in the Gettysburg college gymnasium Saturday evening from 8:30 until 11:45 o'clock.

Music will be furnished by Bill Jones and his orchestra.

Cadet candidates of the 55th College Training Detachment stationed at Gettysburg college as well as other service personnel from the county are invited to attend.

The following committee members of the American Legion Auxiliary are in charge of the dance: Mrs. Joseph E. Codori, Mrs. LeRoy Winebrenner, Mrs. Fred Haehnlen, Mrs. Howard Sheffer, Mrs. Paul Spangler, Mrs. William Shover and Mrs. Earl Deardoff.

Sailors Pledge 2 Million At Game

Washington, May 25 (AP)—Uncle Sam is some \$2,000,000 richer today, those sailors who call the Norfolk Naval station their alma mater are prouder than ever of their baseball team and the Washington Senators have a new relief pitcher.

The 29,221 spectators who saw the sailors defeat the Senators last night, 4 to 3, in nine innings of thrilling baseball paid for their seats by buying bonds and pledged an estimated \$2,000,000 to see the game.

In addition they got Kate Smith, Babe Ruth and Bing Crosby in pregame ceremonies and heard British Field Marshal Sir Archibald Wavell say that he was witnessing his first baseball game "and enjoying every minute of it."

Shoots 71 To Win District 10 Title

Erie, Pa., May 22 (AP)—Playing a water-soaked course in three over par, Carl Neithamer of Erie academy bested 32 opponents to win the District 10 title of the PIAA yesterday on the Erie Golf club course.

Neithamer shot 37-34—71 while Jimmy Lee of Hickory township high, last year's champion, was second with 43-35—78. Others qualifying for the PIAA title playoff were Pete Lipchick and Harry Boback, both of Erie Tech.

Glenn E. Miller, York Springs, and Mary E. Lemaster, Shippensburg, have secured a marriage license in Carlisle.

30 PERSONS AT CHAMBER FETE TUESDAY NIGHT

New members were welcomed by President Mares Sherman at the monthly dinner meeting of the Gettysburg Chamber of Commerce, Tuesday evening at Mrs. Smith's restaurant, with 30 members and guests present to make it the best attended dinner session since the monthly gatherings were begun last year.

President Sherman congratulated Ralph Z. Oylar, membership chairman, and his committee for doing "a wonderful job" in bringing new members into the Chamber. "We now have one of the largest memberships since the re-organization of the Chamber four years ago," he said.

Mr. Oylar, who announced that the recent membership drive enrolled 61 businesses and individuals in the Chamber bringing the current total to 95, declined to accept personal credit for the success of the campaign but shared with the group of 22 solicitors the credit for the drive. He made mention twice of the "full cooperation" given the campaign by the press.

Urges Large Attendance
"The attendance this evening is encouraging but I'm not satisfied with it. There should be at least 50 members here every month. All of the members would enjoy these meetings," he declared.

President Sherman reported that the retail committee had received less than 50 per cent of the questionnaires they distributed on the question of holiday and Thursday afternoon closings during the summer. The committee chairman, George M. Zerling, sent a report to the meeting that his committee was not ready to make any recommendations on the basis of the response.

Of those who responded to the questionnaires, about two-thirds favored closing their establishments on May 31 and July 5 and on Thursday afternoons, Mr. Sherman said. No action was taken in the matter.

A letter was read from the state Chamber of Commerce asking that a county representative be named to serve on a district committee for Economic Development. Members were invited to suggest names of industrialists for the post which will be filled soon by President Sherman.

The report of R. Z. Oylar as treasurer showed a current balance of \$1,646.52 after expenses of \$217 were paid. Chief receipt items were dues of members which totaled \$1,735.

First speaker introduced by President Sherman was William J. Yingling, Littlestown, chairman of Draft Board No. 1 of Adams county. He spoke briefly and answered questions. In response to one query about why Board No. 2 has started to draft married men while Board No. 1 has not, Mr. Yingling said the chief explanation of that condition is that there were more single men in the eastern half of the county. He said calls received by the two boards have been approximately equal.

The principal speaker was Warren R. Jones, first president of the Littlestown Chamber of Commerce and former president of the Littlestown National Bank. His theme was "Community Development." If a Chamber of Commerce ever was needed by Gettysburg, it is needed now," he declared as he stressed the importance of diversification of a town's industries as a means of sustaining it through depressions and of offering job opportunities for its young people. He urged the development of definite plans for community development in the post war period to furnish jobs as a means of warding off another depression.

He recalled methods used in forming the Littlestown Chamber of Commerce on a community-wide basis that included the farmers. The town has nine diversified factories and a weekly payroll of more than \$50,000, he said. He pointed to the preparations for the opening of a factory in Fairfield.

"Diversification is the answer to Gettysburg's problem," he said. He reminded his hearers that the huge tourist trade here "vanished out of a clear sky." He offered his services in securing new industries for the town.

Heart Attack Fatal To Charles Williams
Charles M. Williams, 79, operator of W-D Pine Lodge, Lincoln highway west, died suddenly from a heart attack at his home Tuesday evening at 10 o'clock.

Dr. C. G. Crist, Adams county coroner, investigated and signed the death certificate.

Mr. Williams had operated the lodge for the last 20 years. He was a member of the Modern Woodmen of the World, Latrobe.

Surviving are five children, Malcolm, Orrtanna R. D.; Mrs. Frank L. Holden, Bible School Park, New York; Ralph L., Pittsburgh; Mrs. F. Clyde Decker, Minneapolis, Minnesota, and Frank E., Butler.

More Mermen, Better Marks Predicted By Johnny Miller

Chapel Hill, N. C. (AP)—There'll be more good swimmers and more swimming records broken the first five years after this war than during any other five year period in the history of the tank sport," predicts Lieut. Johnny Miller, head swimming instructor at the U. S. Navy Pre-Flight school here.

Lieut. Miller should know. Before being commissioned in the Navy he was head swimming coach at Mercersburg academy, and like Notre Dame and football, Mercersburg in prep school circles is synonymous with swimming. It held all interscholastic records and has had representatives on three Olympic teams.

Many Can't Swim
"Take the Pre-Flight school, for example," Miller explains. "Forty per cent of the cadets who come here can't swim at all. Before they complete their pre-flight training, they must, among other things, be able to swim three-fourths of a mile, under water 50 feet, carry a man their own weight 100 yards, swim with their clothes on 200 yards, be able to handle rubber boats, cargo nets, do rope climbing, and jump from high altitudes into the water."

"At Chapel Hill we do more than teach cadets to swim. We train them to become instructors. Before the war everyone could swim a little, but due to an almost total lack of instructors not many people went about it in the correct manner. Out of every 300 boys who come to Chapel Hill we develop 10 to 15 boys who will be perfectly capable of coaching the sport after the war."

Ensign Peter Fick, assistant coach and one of the world's fastest swimmers, agrees with Miller, and both are certain, thanks to Hitler and the Axis, that a completely new era in swimming will take place after the war.

Operation Helped
Speaking of records, the name of Alan Ford, who twice this season has cracked the 51-second 100-yard world record set in 1927 by Johnny Weissmuller, was mentioned. Now a Yale freshman, Ford attended Mercersburg two years before entering Old Eli, and accompanied Miller, his coach, to South America for an International Meet in 1940.

Miller stated that Ford was just another swimmer until Dr. George Bennett, the great osteopathic doctor at Johns Hopkins, operated on his knee two years ago. "The operation," Miller thinks, "turned an average swimmer into one of the best. Bennett gets the credit, not I."

50-Second 100
Both Miller and Fick think the 100 can be done in 50 seconds.

"A fellow like Alan Ford who has good form, good chest and arm strength, and the supreme desire to do it, will turn the trick," says Fick.

Several phases of swimming have changed, Fick believes. "The 220 is no longer considered a middle distance event. You have to be a good sprinter to win it in present day competition."

Miller smiles when he mentions the 1932 Los Angeles Olympics. "That year," he says, "the United States scored 740 points while the entire Axis combination of Italy, Japan and Germany collected but 573. To me, that's a pretty good indication of how this war is going to turn out."

MAROON AND WHITE WINS THIRD PRIZE

Today's issue of the Maroon and White, the last of the current year for the Gettysburg high school newspaper, announces that the paper has been awarded third place for excellence in news writing in a high school newspaper contest conducted by the Penn State chapter of the professional journalism fraternity, Sigma Delta Chi.

Fifty high school newspapers were entered in the contest.

Two Countians Hurt In Crash In York

Two persons received slight injuries as the result of an automobile accident which occurred Sunday afternoon at 3:50 o'clock in York. Police records show that Charles D. Alleman, Jr., operating the sedan of his father, Charles Alleman, 123 East King street, York, was proceeding north on Belvidere avenue and was making a turn to go west on Market street, when another automobile operated by August Kessler, 2843 West Oakdale street, Philadelphia, and owned by Corporal Arthur P. Brennan, Gettysburg, proceeding east on Market street, passed through a red signal light and struck the left front of the Alleman car.

Mrs. Florence Roberts, and Henry Brennan, both of Gettysburg, R. D. 1, both passengers in the Brennan car were treated for abrasions and bruises to the legs. Another passenger in the Brennan vehicle, Robert Brennan, also of Gettysburg, R. D. 1, escaped injury.

FEED MEN TO MEET
Feed dealers from all parts of the county have been invited to attend a meeting to be held this Thursday evening at 8 o'clock at the Farm Bureau building, Gettysburg, when feed problems will be discussed. Special attention will be given to protein feeds.

Mrs. Herbert W. Miller, Biglerville, R. 1; Mrs. Wilmer Henninger, 214 Baltimore street, and Mrs. Kenneth Carey, Gardners R. 1, have been admitted as patients to the Warner hospital. Those discharged were George Reese, Iron Springs; Paul Deardoff, Orrtanna R. 1, and Donald L. Hoff, Cashtown.

NEGRO BEATS NEW YORKER IN PHILADELPHIA

By TED MEIER
Henry Armstrong, the man of 1000 punches, and Sammy Angott, whose recent "retirement" and quick reappearance in the lightweight ranks puzzled fight fans, may meet in New York next month.

"There doesn't seem to be anyone else to fight Henry," observed George Moore, Armstrong's manager, after the former triple champion stopped Maxie Shapiro of New York in seven rounds at Convention hall, Philadelphia, Monday night.

Hammerin' Henry has been signed by Promoter Mike Jacobs of New York for a June 11 bout that supposedly was a rematch with Beau Jack, but there is a question whether Jack, who lost the lightweight title to Philadelphia's Bob Montgomery last Friday, will be ready for another scrap so soon.

Stops Fighting
That leaves Angott, who recently beat Willie Pep, and "we're hoping to fight Angott," said Moore. Armstrong didn't tire himself out in stopping Shapiro for his 19th victory and 14th kayo in 22 bouts since he came out of retirement in Los Angeles a year ago. In fact a crowd of 8,842 that paid \$21,614 saw him lose the first round.

But in the second he went to work with a bewildering display of infighting that drove the New Yorker steadily backward. His face and head badly battered by the sixth, Maxie was dropped to one knee by a left from in close. The same thing happened in the seventh. Blood spurted from his mouth and ear as he rose. Armstrong dropped his fists suddenly and asked Referee Matt Adgie to stop it. Adgie did. The time was 1:58.

Armstrong weighed 140½, Shapiro 135.

The lone possible hitch in the way of an Armstrong-Angott fight is that up to now neither of them will agree to Mike Jacobs' terms.

Money Trouble
Charley Jones, Angott's manager, asked for a guarantee of \$20,000 or a privilege of taking 30 per cent of the gate instead. Mike countered with a flat 30 per cent offer, pointing out that the Garden has been so successful this season that an Angott-Armstrong fight is almost sure to net Sammy what he wants in the way of a guarantee.

On the other hand, George Moore, Armstrong's pilot, also was offered 30 per cent but up to now has been holding out for 35.

So Mike got on his trading clothes today and went to work on his old theory of "you give an extra buck here and a guy agrees to take a buck less there and the first thing you know, there's your match, all signed."

Hanover Revives Old Curfew Rule
Enactment of a curfew law for minors in Hanover and an accompanying increase in the strength of the borough police force were voted at the May meeting of the Hanover borough council last Wednesday evening.

The curfew ordinance was prepared following a report by the borough health officer, Dr. Irl Z. Wentz, regarding juvenile delinquency in Hanover.

This ordinance is a reenactment of an ordinance passed in 1917 which established a curfew in the order to cope with modern conditions. Under the provisions of the new measure it will be unlawful for boys under 16 and girls under 18 years of age to be or remain on the streets or public thoroughfares and parks after 10 p. m. unless accompanied by parent or guardian. A curfew bell will be sounded at 9:45 p. m., each evening.

4th Negro Champ
Hot-and-cold Robert had the highly-favored one-time shoe-shine boy all but looking for a door last night before the 15 rounds were up.

After that, he'll go through with his contract to give the jumping Jack a return shot at the bauble, probably in the Polo Grounds here in July. But, of last night's shindig, which entertained 18,343 of the citizens, the Beau should take his time about getting back within range of the shots with which Bobcat Bob all but punched both his eyes shut last night. The Georgia galloper was strictly a "six furlong horse in a mile and a quarter race" when he tried that 15-round Derby route.

His little job was as good as he's ever done. After letting the Beau have his fling for five rounds, Bob came along to take the play through the last nine rounds and grab the title in the wild-swinging Georgian's first defense since he was handed the honors by the New York commission after Sammy Angott abdicated last fall.

The 24-year-old Bob becomes the fourth negro to win what is generally regarded as the second-most-prized crown in the book, putting his name on the records along with the great Joe Gans, hammerin' Henry Armstrong and the Beau.

May Meet Angott
And now that he's in the driver's seat, the Bobcat is going to see how the motor runs. First off, he's going to report back Monday to his job of blacksmith at the Sun Shipbuilding company near Philadelphia. Meantime, his official fistic "family" was trying today to line up a route by which he can make non-title stops in Washington, New Orleans, Los Angeles, San Francisco, Portland, Oregon, and Chicago in an eight-week ride around the country. Then, he'll see if he can make it stick against the Beau.

The only lightweight around today who figures to give Bob more than a waltz for the pot is Sammy Angott—and Bob might even show the folks what makes Sammy run.

HOSPITAL REPORT
Mrs. Herbert W. Miller, Biglerville, R. 1; Mrs. Wilmer Henninger, 214 Baltimore street, and Mrs. Kenneth Carey, Gardners R. 1, have been admitted as patients to the Warner hospital. Those discharged were George Reese, Iron Springs; Paul Deardoff, Orrtanna R. 1, and Donald L. Hoff, Cashtown.

Rain Forces Track Meet Cancellation

A heavy downpour last Thursday afternoon forced the cancellation of the Gettysburg-Hanover high track meet scheduled to be held on the local field.

Already soaked by recent rains, the field was covered at some places by several inches of water which resulted in high school authorities calling off the match with the Nighthawks just before the Hanover squad was scheduled to leave for Gettysburg.

Hanover officials turned down the suggestion the meet be held today, pointing out they are entering a number of lads in the District 3 PIAA meet at Lancaster on Saturday. It was decided to cancel the match after Hanover revealed that, due to examinations, a date next week would be unsuitable.

ASK ARMY FOR MORE LIBERAL ATHLETIC VIEW

Washington, (AP)—Three congressmen avowedly concerned with the "future of football and our American way of athletics," asked the Army Wednesday for a "more liberal attitude toward the game during war time."

Representatives Weiss (D-Pa.), Dilweg (D-Wis.) and Monroney (D-Okla.) urged that soldiers receiving special training in the nation's colleges be permitted to participate in athletics.

"If the Navy can do it—and is why can't the Army? That's all we want to know," said Weiss, a National Football league referee.

The three congressional friends of football went over the situation yesterday with Brig. Gen. Millard G. White, assistant chief of staff; Brig. Gen. F. H. Osborn, director of the Special Service Division; Col. Otto L. Nelson, office of the secretary, general staff, and Col. Theodore P. Bank, chief of the athletic and Recreation branch.

"A short time ago I received a letter from the office of Secretary of War Stimson in which certain reasons were pointed out why it would not be feasible for Army men in college training to go in for competitive athletics," Weiss said.

Cite 3 Reasons
"The three principal reasons were lack of time, transportation problems and the attitude on the part of some persons that such participation would come under the heading of special privileges."

"We went over the whole thing, and I'm satisfied that our explanation on those points were acceptable to General White and Colonel Nelson."

High school athletics and recreation for the war worker in either spectator or competitive sports also were discussed.

"The outlook is very good for high school teams," Weiss said. "The War department realizes that many of the high school football players will step right out of shoulder pads and helmet into an Army uniform, and they want them to be ready."

Just Folks

By Edgar A. Guest

POSTHUMOUS MEDAL
This purple heart they give to me
So late, perhaps, may finer be
Than any thing I might have gained
Had I, for old age, safe remained.

Had I been left with years to spend
And dawdled on to life's long end
By only common fears assailed,
A hundred times I might have failed.

But death may greater triumph give
To us who die that truth may live
Than all the years which must be spent
With ease and plenty and content.

To those who after me will live,
No richer memory could I give
If I had lived my lifetime through
Than this, the heart of purple hue!

NEXT MISSION
Over the emperor's palace they flew
In the light of the day,
But the word of command had been given,
Unharned must the emperor stay.
They were sent on a mission of warfare,
Unharned they dropped from the sky
And the emperor must have been thankful
In safety to watch them go by.

As the emperor stood in his palace
He saw them just over his head,
In his ears was the roar of their motors
As on to their targets they sped.

But they left him unharned for a reason,
Which Japanese can't understand,
That mercy must go with the triumph
And the ruler be spared to his land.

They could have set fire to the palace,
For it stood but a few yards below,
They could have dropped death on the emperor,
They'd time and the means for the blow.

But they left him unscathed in his splendor,
And how was their mercy repaid?
The lads who had spared Hirohito
Were tortured and put to the blade.

Well, the boys will be over the palace
Again in a month, or two more
Some day when the emperor's watching
They'll come there to settle a score.

And the bomb bays will suddenly open
And death will sweep out of the sky
For the lads with their hearts set
On vengeance will never again pass it by.

ADVICE TO ORATORS
They do not need a spur or prod
Whose sons are in some battle line.
In prayer they daily turn to God
All pleading for His care divine.

We need not tug them by the sleeve
Nor shout at them that war is here.
They know it well who sit and grieve
And choke the sigh and hide the tear.

They understand that war has come
Who sit in silence evenings long
Where once were saxophone and drum
And merry mirth and dance and song.

And if their sorrow they conceal
Too deep for stranger's eyes to find
Or hide the loneliness they feel,
Do them the justice to be kind.

Oh, gifted tongues be very wise,
Hold them in inspiration's spell,
But don't bring tears to saddened eyes
By shouting what they know too well.

RELEASED TO FAIRM
Private Bernard R. Riley, 28 son of Mr. and Mrs. Leo Riley, Gettysburg, Pa., has been given an honorable discharge from the Army so that he may help with farm work. Private Riley entered the service October 17, 1942, and has been attached to a service unit at New Cumberland.

Flashes Of Life

(By The Associated Press)

SURPRISE!
Chicago (AP)—William Mercur believes the thief who stole his typewriter is going to get a mild surprise when he starts to operate it.

In reporting the theft of the machine to police, Mercur, New York theatrical producer, showed Sgt. William Murphy a sample of the machine's work.

The printing was in Hebrew characters.

OUR HERO
Oklahoma City (AP)—Old Boston, the surly bloodhound that tracked down dozens of criminals and would bite his own keeper if he was too slow, was just another dog to the courts in his lifetime.

Now, four years after his death, his nose work has legal standing. The criminal court of appeals affirmed a two-year sentence on an arson conviction yesterday on the strength of old Boston's detecting.

It was the first time the court accepted a bloodhound's evidence.

WAR IS ... DEPARTMENT

Washington (AP)—A group of Army officers studying the Japanese language still are arguing whether this passage in the textbook dealt with grammar or base-ball.

"We have now reached a point where we may enquire more fully into the structure of the verb. We have already spoken of the second base. In all there are five bases, one for each of the vowels."

THIS IS WHERE WE COME IN

St. Louis (AP)—The National Association of Credit Men held their convention in St. Louis in 1903—the year of the great flood. Delegates were days late in arriving and many of them had to complete the trip by river steamer.

So they waited 40 years before coming back to the river metropolis—and what happens? The surrounding area is inundated in the worst flood in 100 years.

REALISM

Kansas City, Kas. (AP)—Test Pilot Jack A. Snodgrass showed visiting newspapermen what happens when a Mitchell bomber makes a crash landing—although that wasn't what he had in mind when he went up.

Unable to get his landing gear down after three and one half hours, he decided there was nothing to do but make a belly landing.

He skidded neatly across the field just as the escorted tour was looking it over.

SPECIAL DELIVERY

Chickasha, Okla. (AP)—Pedestrians were puzzled by muffled canine whimpering without visible source.

The postman solved the mystery. He fished a disgruntled puppy out of a mail box.

THINGS HAVE CHANGED

Kansas City—Tripped by big city ways!

Police halted a driver who failed to observe a stop sign. "I haven't driven a car for 12 years," he apologized. "I've about forgotten how to operate."

The curious cops wondered why he hadn't driven for so long. Now the erring motorist is on the way to the penitentiary identified as Edward Lewis, an escaped prisoner.

WELL-QUALIFIED

Merced, Calif.—Lieut. Eugene Fish will teach swimming at the Merced Army Air Field.

GOOD FOR 106 YEARS

Los Angeles—James C. McLaughlin, who claimed he was "never drunk, never uttered an oath and never married," died yesterday, 106 years old.

His grandmother evidently had a better formula for longevity. She lived to be 129.

UNDOMESTICATED WAAC

Boise, Idaho (AP)—The WAAC may have been organized to free men for active military service, but a Gowen Field corporal has his doubts.

When Auxiliary First Class Dorothy Hillman wanted a chevron sewed on her uniform, she asked Cpl. E. L. Hardinger of Middleport, Ohio, to perform the task.

SALUTE THE SERGEANT

Denver (AP)—The Sergeant too good for Sgt. Robert C. Levine of Chicago, says officers at Buckley Field. A staff car was assigned to take him to Denver.

The reason for all this super-service: His wife gave birth to triplets Thursday.

SODA POP FIREMAN

Idaho Falls, Idaho (AP)—When Mrs. Donald Jones' automobile caught fire a bystander rushed into a nearby confectionery and grabbed a bottle of soda pop. He quickly extinguished the blaze.

DIVISION

Chicago (AP)—Edward H. Kvech lost his home to his wife but he was allowed to keep 20 cans of food, including a pound of coffee.

The First National Bank of Ardenville sold to Joseph S. Boyer, Biglerville, a 19-acre property in Butler township.

Letters To The Editor

Dear Sir:
It has been a long time since I have written to you, but I have been very busy.

I just finished my school as Dental technician and have been transferred to a dental office at the Army Air Base, Abilene, Texas, where I am learning more about dentistry.

I enjoy reading your paper and would like you to send it to me here. Well, it is not like I thought it would be here. It has rained almost all week and it is still trying to rain again.

We are not near any sand so we don't have any sandstorms here.

Yours,
Corp. John Lawer,

Dear Sir:

It is more than grand to receive The Gettysburg Times out here on one of the Hawaiian Islands. It has always covered the news of the town and county so completely and presented it so interestingly. I always remember the fine cooperation I received from the staff while I was in Gettysburg.

The position of chaplain of a unit in our army is the greatest challenge I have had and I do believe it is one of the most important in the church today.

Here And There

News Collected At Random

A soldier on duty "somewhere" wrote to his sister in Gettysburg today. It is the best burlesque on censorship we have seen in many a moon. We believe you might enjoy reading it, so here it is:

"Date: Who Cares?
"Place: Ditto.
"Dear Sister, etc.,
"After leaving where we were before we left here, not knowing we were coming here from there, we could not tell if we would arrive here or not. Nevertheless we are now here and not there.

"The weather here is just as it is at this season but of course is quite unlike the weather where we were before we came here. After leaving where we were, traveling by what we came by, we had a good trip.

"The people here are just like they look but don't look to be like they were where we came from. From here to there is just as far as from there to here.

"The way we came here is just the same way everyone comes from there to here. Of course we had to bring everything we had with us, for we had to wear what we would wear here, which is not like what we would wear there.

"In all probability it is now time for me to stop this somewhat too newsy letter before I give out too much information since the censor here is likely to be a spy."

It's something like the fellow who wrote to his girl saying "I couldn't be there with you because I never left here."

Heavy Damage Done By Flood

Torrential rains that reached near-deluge proportions and the worst recorded there in many years swept the Gettysburg-Hanover area Thursday night and caused untold damage. Victory gardens were reported to have been the hardest hit with acres of land, much of it newly planted, washed out. Tons of earth were swept from freshly planted corn fields and fields of oats where the sprouting seed was washed into nearby streams or piled deep with mud at the foot of hundreds of slopes in farming sections. Within 48 hours, 2.85 inches of rain fell. Rain fell on 11 consecutive days.

Repair and cleanup work to county highways will cost an estimated \$5,000. J. William Kendeheart, Jr., highway maintenance superintendent, said.

State Reports On Aid Payments Here

Unemployment compensation payments in the Gettysburg district totaled \$490 during the week that ended Friday, according to an announcement from the office of State Treasurer G. Harold Wagner. Payments throughout the state amounted to \$83,094.

Another statement from the same office showed that direct relief payments to needy residents of Adams county during the same week amounted to \$308.80, an increase of \$9.40 over the figure for the preceding week, but \$18 less than that for the comparable week last year. Seventy-one relief checks were issued this week.

WOMAN'S CLUB CUTS MEETINGS FOR NEXT YEAR

New officers took up their duties and committee and department heads for next year were announced at the annual luncheon and musical of the Women's club of Gettysburg Wednesday afternoon at the Hotel Gettysburg. Ninety-eight members and guests attended.

It was announced that the number of meetings for the club year which will open in October has been reduced from the usual 16 to 10 because many members are giving much of their time to war-connected activities.

The first fall meeting will be held October 13. The dates for the nine other sessions follow: October 27, November 10, December 8, January 12, February 9, March 8, April 12, May 10 and 24.

Department Heads

Mrs. J. Walter Coleman was presented as the new president of the club and announced these department heads: American home and citizenship, Mrs. R. S. Saby; conservation and gardens, Mrs. Charles R. Wolfe; fine arts, Mrs. Frank Kramer; education, radio and motion pictures, Mrs. Paul Kinsey; international relations, Mrs. A. Harrison Barr; legislation, Mrs. Edgar L. Deardorff; and welfare, Mrs. Harry Baughman.

Sub-chairmen in the fine arts department were announced as follows: Art, Mrs. Wilbur Plank, drama, Mrs. Samuel H. Reed; literature, Mrs. E. S. Lewars, and music, Mrs. Dunning Idle, Jr.

Mrs. Coleman announced the names of committee chairmen who rose and listed the names of the members of their respective groups.

Fill Committee Posts

The complete list follows with the chairman listed first in each instance:

Program and hostess, Mrs. Ralph Heim, Mrs. R. R. Gresh, Mrs. E. J. Pfeiffer, Mrs. Earl E. Zeigler, Mrs. Forrest Williams and Mrs. Henry M. Scharf.

Membership, Mrs. G. W. Lefever, Mrs. C. W. Epley, Mrs. W. D. Hartshorne, Mrs. Mary R. Martin and Mrs. A. R. Wentz.

Finance, Mrs. Robert Fortenbaugh, Mrs. Howard Fox, Mrs. Russell Campbell, Mrs. C. C. Culp, Mrs. Raymond Sheely and Mrs. Robert Berkheimer.

MD. SYNOD WILL RETURN HERE IN '44; MEET ENDS

The Evangelical Lutheran Synod of the state of Maryland at the final business session, Wednesday afternoon, of its 124th annual meeting which opened here Tuesday morning, accepted the invitation of the Gettysburg Lutheran Theological Seminary to hold its 1944 meeting in Gettysburg.

The invitation was accepted with the reservation that the Synod session will be held if war conditions permit. The seminary has invited the Synod to make Gettysburg its permanent meeting place but Wednesday's action covers only 1944.

At the final session, Dr. O. F. Blackwelder, pastor of the Church of the Reformation in Washington, D. C., delivered the sermon at the service at which two young ministers were ordained by Synod. They were the Rev. Joseph K. Peaslee, pastor-elect of Bethany Lutheran church in Baltimore, and the Rev. Wilbur V. Newby, pastor-elect of the Easton-Cordova charge.

141 Parishes Represented

"A great man is good, useful and courageous," Dr. Blackwelder declared in his sermon on the theme, "This Is the Year for Greatness."

He observed: "There are three schools of modern psychiatry which say that man desires to be loved, to be secure and to be significant. Men will attain none of these goals until they fulfill the necessary conditions of being a great person."

"A great man is good: that means he is moral before he becomes socially or politically great; a great man is useful: he must carry his own weight with a margin, and a great man is courageous: tell me in whom and what a man believes and I will tell you what he is," he asserted.

Dr. Raymond Soric, Silver Spring, Maryland, was inducted as the Synod's president for another term as the session came to a close.

Approximately 300 clergymen and lay delegates attended the two-day meeting here as representatives of 141 parishes in Maryland and the District of Columbia. The Synod represents a lay membership of about 80,000.

Mrs. Lewars Appeals For Nurse's Aides

A "good many more" volunteers for nurse's aide training here are needed before a new class can be started. Mrs. E. S. Lewars, chairman of the county chapter of the Red Cross, said Thursday as she called attention to the "urgent" messages from national Red Cross headquarters urging establishment of nurse's aide classes.

"We are being urged to train women who can relieve trained nurses for essential war-connected duties with the armed forces," Mrs. Lewars said.

She announced a meeting of nurse's aide volunteers for next Monday evening at 7 o'clock at the Warner hospital. Mrs. Poppay will be the teacher for the class that will be started as soon as a sufficient number of girls and women enroll.

"We have some very fine material for the class and we hope others will volunteer for this highly important work next Monday," Mrs. Lewars stated.

New OPA Forms Put In Mails

Adams county postmasters began Thursday the distribution through the mails of application forms for War Ration Book Three. Each postmaster distributes the forms to all customers in the area served by his office.

Distribution of the application forms is to be completed by June 5 and the completed applications must be placed in the mail by midnight June 10, it has been announced. The application forms must bear a three-cent postage stamp, it was pointed out.

The new War Ration books are to be mailed out between June 20 and July 20.

Postmasters urged that individuals use special care in filling out the blanks for the name and address on the application forms. That entry will be used as the address for the return of the new ration book and unless it is legible the book cannot be delivered to the person for whom it is intended, it was explained.

Farmers May Make Crops, Feed Loans

For the convenience of Adams county farmers desiring crop or feed loans, Field Supervisor R. C. Westbrook will be at the post office in Abbotstown at 3:00 p. m. on June 8, at the court house in Gettysburg at 9:00 a. m. on June 9, and at the post office in York Springs at 1:00 p. m. on June 9 to interview applicants.

The Emergency Crop and Feed Loan section of the Farm Credit Administration makes loans up to \$400 to farmers who are in need of short term credit for producing 1943 crops. The interest rate is 4 percent per year, and the security required is a crop lien on cash crops, or, in the case of feed loans, a chattel mortgage on the livestock to be fed. Farmers in this section may file their applications at any time with J. Marion Stambaugh, of the Farm Cooperative Bureau, in Gettysburg.

Sgt. J. G. Brehm On "Squawk" Committee

Camp Santa Anita, Calif., May 24 (Special To The Times)—Who says you can't beef in the Army? Staff Sergeant John G. Brehm of Gettysburg says you can—and he should know.

Sgt. Brehm has just been appointed to a committee at the West Coast Ordnance Training Center along with six other non-commissioned officers to confer with Commanding General B. W. Simpson on the operation of the camp's post exchanges.

The post exchanges are where the soldiers buy their sweets, writing materials, toilet articles, and other incidentals. If any of the Turfbirds at this Ordnance camp don't like the way things are being handled, they have only to tell it to Sgt. Brehm. He in turn will tell it to General Simpson when the committee meets periodically to determine the changes or additions in service they think advisable.

Sgt. Brehm is the son of County Treasurer John W. Brehm. He was graduated from Gettysburg college in 1939.

Mr. Schultz is the former Miss L. Kathryn Gitt, daughter of Dr. Chester N. Gitt, Baltimore street.

Urge Single Request For Extra Sugar

The local War Price and Rationing board today requested citizens to ask for all the sugar they will need for canning and preserving this season on a single application form instead of making separate applications for canning and preserving. The request was made in the interest of avoiding duplication of effort for the busy board staff.

It was pointed out that certain stamps in War Ration Book No. 2 are to be made worth 10 pounds of sugar to be used for canning or preserving. Persons who do not need more than that amount need not make special applications, it was pointed out.

The application forms for the canning and preserving sugar are to be distributed through grocery stores next week. They are designated as No. R-315. The applicants' copies of War Ration Book No. 1 are to be mailed to the ration board along with the canning and preserving sugar applications.

For the purpose of determining the amount of sugar to be needed an applicant may ask for a pound for each four quarts of finished product.

List 39 Seniors At Littlestown

Principal E. King, supervising chief of the Littlestown public schools, announced last Friday these names of the members of the graduating class who are eligible to take the test which will decide whether they can graduate on May 27. There are 39 boys and girls in the class.

5-Lb. Limit On Preserving Sugar

The Local War Price and Rationing board has announced that the maximum allotment for preserving sugar is five pounds per person. This five pounds comes out of the 25 pound maximum allotment for each person for the year, March, 1943, to March, 1944.

The boards will not issue any sugar certificates to any family unit whose number 15 and 16 stamps have not been used. These stamps are valid for five pounds each, and should take care of the canning and preserving needs of a great many families, the board believes.

In making application for canning and preserving sugar, family units should apply for the full amount they desire. The boards will make allowance for the ten pounds to be secured by stamps 15 and 16.

Stamp number 13 will be valid from June 1 until August 15, for five pounds of sugar for regular household consumer use.

MANY TIN CANS ARE NOT USABLE

Many of the tin cans collected by salvage committees in the county have proved unusable either because they were rusty, had previously been used to store oil or were not properly flattened. O. H. Benson, chairman of the county salvage committee said today.

"Only cans that have had the paper covering removed, and have been flattened with the top and bottom inside can be used at the processing plants that salvage the tin from the cans. Old rusty tins, cans used for oil, wax or paraffined products are also unusable because the presence of oil prevents the proper processing," Mr. Benson said.

CANNING BULLETINS

Miss Mildred L. Adams, county home economics extension representative, announced today that she now has a supply of new bulletins on "Fruit and Vegetable Canning at Home." The bulletins are issued by Pennsylvania State college and have been revised as of April, 1943, to include information on canning with restricted supplies of sugar.

Damage to the car was estimated at about \$100. The damage to the railroad property amounted to \$50. No charges have been brought.

High Seniors To Be Movie Guests

One hundred and sixteen Gettysburg high school seniors will be guests of Homer N. Young, Seminary Ridge, at the screening of "Tennessee Johnson," screen version of the life of Thaddeus Stevens at the Majestic theatre on June 16.

Mr. Young presented one hundred and sixteen tickets of admission to Professor Lloyd C. Keefeaver for distribution to the senior class.

The picture, which recently had its premier in New York, portrays the life of Stevens, a one-time resident of Gettysburg, founder of the public school system in Pennsylvania and later a powerful Congressional leader.

Correct Omission In Trustees' Article

An error occurred Monday in the published account of the filing of the fourth account of the trustees of the Citizens' Trust company and the opening of the equity action by the trustees against the former stockholders. Two lines of the original copy of the news account were omitted.

The incomplete paragraph should have read:

"The bill in equity sets forth among other things that the actual market value of the assets of the closed bank now is about \$107,826 instead of the book value of \$118,221 so that the actual deficit is \$46,474 instead of the \$36,552 mentioned above."

RED CROSS SHIPS MORE SWEATERS, SOCKS

The county chapter of the Red Cross shipped 123 knit articles of clothing for the use of men in the armed forces of the nation. All were made by volunteer workers in various parts of the county.
